Copy of letter from the Engineer, Harbour Trust Board, Madras to the Chairman Harbour Trust Board, Madras No. 246 dated 2nd June 1898.

In reply to your endorsement-No. 1732 forwarding letter No. 626 $\frac{2}{2}$ dated 21st May, from the Examiner, Public Works Accounts, regarding the retention of the services of Accountant Krishna Rao, I have the honor to say that as Krishna Rao had become thoroughly acquainted with the system of the Construction Accounts, I was anxious to retain his services until they were closed, but now that the Construction Account has been closed, I do not think his services need be retained after this month, if the Examiner Public Works Accounts, can now transfer a lower paid, quick and active Accountant to this office in his place.

OFFICE NOTE No. 719 ^A/₂

To

W.

With reference to the orders contained in G O.No.3122 W dated 4th December 1895 approving of the transfer of the services of M R Ry C.R.Krishna Row, accountant 7th grade, to the Madras Harbour Trust Board, please see the accompanying copy of letter No, 246 dated 2nd June 1898 from the Board's Engineer to the address of the Chairman.

2. The construction accounts of the Harbour having been closed, the Engineer considers it unnecessary to retain the accountants' services after the end of this month, preferring, if possible, a cheaper paid man—a view which has been endorsed by the Chairman.

3. Pending, therefore, the settlement of the question as to who to send in the room of M.R.Ry.Kistna Row, I would ask the favor of very early approval of Government to the retransfer of that accountant to the P.W.D with effect from 1st July 1898.

4. I am of opinion that, with the
Engineers present staff, the accounts
work could be equally well managed by
a good accounts clerk with training
and experience in the P.W. system; and
proposals to this end will soon follow.
