The Examiner, P.W. Accounts.

The question whether any contribution for pension should be levied from Mr. Mackenzie will be referred to the Govt. of India.

To No. 1546 w d 20.6.98

The Joint Secretary to the Govt. of India, P.W.D.

Sir,

In acknowledging the receipt of your letter No. 215 C, d/ 9th May 1898, I am directed to inquire, with reference to the proviso in Art. 815(a), C.S. Regulations, whether any contribution for pension (Art. 811) should be levied from Mr. Mackenzie during the period of his employment in Egypt, his transfer being for not more than six months.

I have &ca

[P. W. 4. 500—24-3-98.]

Date.

Mr. Examiner inquires whether Mrs. Mackenzie has been transferred to foreign service (Egyptian Govt.) & whether any contribution is receivable from him - Letter from the Govt. of India No. 1215 & 07 9.5.98, which has since been communicated to the Examiner, answers the first question in the affirmative

As regards the 2nd question, Art: 811 C.S. Regns says that officers transferred for service in Egypt shall contribute for pension only, but Art: 815(a) says that no contribution is levied from an officer who is transferred to foreign service for special temporary duty not lasting more than 6 months (which is Mrs. Mackenzie's case)

There is however a proviso to this rule, which makes the exemption contingent on the terms of service agreed on beforehand. We therefore do not know for certain whether contribution for pension is or is not to be levied from Mrs. Mackenzie, but it is proposed therefore to put the question to the Govt. of India.

Before submitting your draft
on C. No: 4221 to W, the accompanying
letter from the Govt. of India was
received, and it was therefore
necessary to hold back the draft.

In your note at the foot of
the draft it is stated that the condition
as to service for pension &c should
be known to this office and the
Examiner.

It will be seen from article
811 of the C. S. R. that officers
transferred to Egypt absorb contri-
bute for pension only and article
815 lays down that no contribution
should be levied from an officer
transferred to foreign service for
temporary duty not lasting more
than six months. There is however
some condition attached to this rule,
but as the recovery of contribution
rests with the Comptroller General
we need not take any action in
the matter.

If Mr Mackenzie on return
from his foreign duty applies for
privilege leave, the question of
contribution may arise. This can
be easily settled by reference to him

In the above circumstances,
I have not drafted any letter to
