at a cost of Rs 101-1-5. Apparently the work was done of General repairs to the Sub Collector's office. & the Commandant asked that the amount might be charged to Provincial funds. The Engineer was of opinion that if the repairs were necessary, I would have had to be carried out whether the room was occupied by the Volunteers or not, the cost might be charged to Provincial. Stating the Volunteers would pay.		2470C	10-5-98

THE CHIEF ENGINEER

PUBLIC WORKS DEPARTMENT,

WALTAIR, 29th May 1898.

Camp. Despd 1st June 1898

SIR,

With reference to your memorandum no. 2470C dated 10th May 1898, I have the honor to state, that the Executive Engineer Godanari Eastern Division reports that the repairs carried out to the room in the Sub-Collector's office, were not in any way necessitated by the occupation of the room as an armoury for the East Coast Rifle Volunteers, but were such as would have had to be carried out in any case. The amount Rs 101-1-5 already spent on its repairs can therefore be charged to Provincial Civil Buildings repairs.

I have the honor to be
Sir,

Your most obedient servant
W. L. De Morgan
