Besides the petty and menial establishments which are sanctioned year after year, the proposition statements submitted by the Supty. Engineer provide for the following:-

Kistna Northern Division

(a) 1 Draftsman on Rs 30 for the Division Office

The Ex: Engineer states that the draftsman was originally sanctioned on account of heavy work in the Division and that the necessity for his retention still continues.

He adds that the drawing branch of his office is in heavy arrears

(b) 2 Clerks for 1 month, one on Rs 40 and the other on Rs 20 per mensem.

No 330 W dated 10th February 1898), these clerks have been included in the statement for the latter division. This transfer takes effect from 1st March 1898. The Ex: Engr, D. N. D., reports that there will be much extra work in the transfer of records and proposes that the clerks may be entertained for 1 month in his division and for the remaining 11 months in the K. E. D. This may be allowed.

(c) 1 Assistant clerk on Rs 15 per mensem for the Quarter Sub D. The necessity for this clerk also was admitted in G.O. No 633 W dated 5th March 1897. The Ex: Engr states that the work in the Sub Division has not decreased.

(d) 3 Additional lascars for overseers in upland taluks and in charge of tanks - required on account of insufficiency in postal arrangements and constant camp work.

(e) Establishment for Munim project Sub D. 1 clerk on Rs 30, 4 peons and 2 tappal peons on Rs 6 each per mensem. The project works not having been closed, the retention of the establishment is necessary.

assist the accountant
- (h) 3 draftsmen one on Rs 60 and 2 on Rs 30 each

reports that out of the sanction for 1897-98 for
the three draftsmen, there were actually
employed one man for $11\frac{1}{2}$ months and another
for $1\frac{1}{2}$ months owing to sickness and transfer
of the men and to the impossibility of filling
up the 2nd class vacancy on ~~Rs 30~~ the pay offered
was Rs 40. Towards the close of last year, the
S.E. proposed to entertain a 3rd class draftsman
on Rs 30 in the place of a 2nd class man on Rs
40 sanctioned, and his proposal was approved
vide Memo No 763C dated 9th February 1898.

The Ex. Engr. strongly represents that the re-
tention of the establishment is necessary and
states that plans and estimates amounting
to Rs 1.65,000 have been awaiting final sanc-
tion for 10 months for want of draftsmen and
that the preparation of schedules for the completion
of the project estimates is being delayed by
reason of pressing current work.

- (i) 1 Print writer on Rs 15 per mensem employed

- (n) Survey establishment - 2 Surveyors ^{on Rs 50 each} + 12 lascars on
Rs 6 each per mensem from 1-7-98 to 31-12-98
and 4 Surveyors and 24 lascars at the same
rates of pay from 1-1-99 to 31-3-99. This is
in continuation of the sanction accorded in
Q 620 2749W dated 2nd October 1897 to the
which expires on 1st July 1898. The work done
during 1897-98 and that proposed to be done
in the current year are given in paras 5 to 8
of the letter from the Executive Engineer, District

Western Division to the S.E. II circle, flagged
In the proposition statement the pay of survey lascars is entered as Rs 7 instead of Rs 6 sanctioned last
year. ~~It has now been assigned for the year 1898-99 at Rs 6 per mensem.~~

No reason has been given for this.
It is undoubtedly most difficult to obtain survey lascars in the Nuffen
District for Rs 6. It is proposed to sanction Assistant was referred to the Public Dept.

- (k) Establishment required for the workshops

(5) An assistant clerk on Rs 15 for the Head Quarter

Sub D. The necessity for this clerk was admitted in G.O. No. 1149W dated 1st April 1896.

The Es. Engr. represents that the necessity continues even now. vide also G.O. No. 633W d/s 3.97.

(6) 2 clerks for 11 months, 1 on Rs 40 and the other for Rs 20. The former is required for main-

aining the records and the latter for accounts. vide also remarks against item (b).

(u) 2 clerks, one on Rs 40 and the other on Rs 30.

These clerks were originally sanctioned on the amalgamation of the late Gudivada division with the Krishna Eastern and their necessity was admitted in G.O. No. 1608W dated 28th June 1894. In support of the retention of these two

clerks the Es. Engr. states among other reasons that the work ^{in the accounts branch} has been increased by the transfer of the head works and the workshops from the Krishna Northern Division. It is

however considered that, with proper management, one of the three clerks employed in the accounts branch ^{might} be dispensed with and a clause to this effect has been added to the draft.

question of sanctioning this appointment was thoroughly discussed and its necessity admitted.

With reference to your remark that the corrections in the proposition statement of the Kistna Western Division are not understood it is submitted that the corrections have been rightly made. The statement as drawn up by the E. E.'s office provides for 3 surveyors on Rs 80 and 18 ~~lascars~~ lascars on Rs 7 each and the total cost of 3 surveyors is shown ^{as} ~~at~~ Rs 320 against Rs 240 the correct amount. What the E. E. actually wants as shown in the Remarks column of the statement is 2 surveyors and 12 lascars from 1st July to 31st Dec 1898 and 4 surveyors and 24 lascars from 1st January to 31st March 1899. The corrections made in the ^{body of the} proposition statement are in accordance with the information contained in the Remarks column of the statement. (1)

In reply to your queries against para (0) of the note, it is submitted that the papers about the hospital at Duggirala may have probably been received at Madras and will in the usual course be submitted to you with draft disposal.

Memo to accompany the appl-
cation for Temporary establishment re-
quired for the Kistna Vanthana Division
Item 1 Draftsman Divisional office No 3
This was sanctioned in G.O. No. 15710/25
June '94 and continued till now. This
was necessary on account of heavy work
in this Division and the necessity of the
appointment still continues. The
drawing branch of the office is in
heavy arrears and new tank projects
may be expected to require designs
and estimates during the year and
the necessity for the extra draftsman
for the ensuing year is considered
urgent. The sanction was originally on
Rs 35/- vide G.O. quoted and was sub-
sequently reduced to Rs 30/- in G.O. 5810/25
12-3-95
Items 2 & 3: Sweepers and Scavengers are
self explanatory and require no
additional remarks. These are
therefore required for '98-'99 also.
Item 3 & 4 Temporary clerks on Rs 40 & 20.
These appointments were sanctioned
for

for the Kistna Northern Division
when first formed but though sanc-
tioned in G.O. No. 1571 W, dated 25-6-94.
they were not entertained till very
late and were given up altogether
in 1895-96 and it was proposed to
apply for these again when work
increases vide G.O. No. 581 W, of 12-3-95.
The entertainment of a clerk on Rs 40/-
which was intended for the main-
tenance of records was sanctioned
and the sanction communicated
by the Superintending Engineer
in his No. 27 K N, dated 4-4-96. The
other clerk on Rs 20/- was intended
for the accounts section of the
Divisional office sanctioned in
G.O. No. 497 W dated 19th February 97.
In the application for '97-98 the
necessity for the continued employ-
ment of these two clerks was
explained and Government in
their order No. 633 W, of 5-3-97 were
pleased to remark as follows:-

"In the circumstances explained, His Excellency
the Governor-in-Council is satisfied as to the
necessity for the additional clerks in the Kistna
Northern Division".
and their temporary appointment
for 1896-97 & 97-98 was sanctioned. Now
the Head works having been transferred
as per G.O. No. 330 W, dated 19-2-98 it be-
comes necessary to disburse with their
services. The transfer of the works takes
effect from 1st March 98 and for one month
much extra work in the transfer of
records and explanation regarding works
grants &c will be necessary. The full
accounts of February 98 will be com-
piled in this Division and will be
submitted to the Examined P. & A.
Counts, Madras on or about the 22nd
March 98. The accounts will then
be transferred to the Eastern Division
as per rules and until the accounts
including the half yearly stock & tools
and P. & A. Returns are closed and
the records are handed over completely
the

Services of these clerks are required
and such service cannot be less than
one month and provision has therefore
been made for one month, that is,
to the end of 31st March 98.

Item 6. Assistant Clerk on Rs 15/- to Sub
Division Office Guntur. The pay of
the Assistant clerk was originally
charged to works but on the receipt
of Supg. Engineer's endorsement No
405 Ch. dated 13.11.95 on G.O. No. 2712A,
dated 29.10.95, this was forbidden
and the pay was then charged
to temporary establishment vide
G.O. No. 1149 A, dated 15.4.96 and this
continues till now. The necessity
for an assistant clerk on Rs 15/- per
month for a Sub. Division was
greatly discussed and an assistant
clerk on Rs 15/- was sanctioned and
this continues till now. Guntur
Sub. Division has heavy work on
account of the Project works in
the Upland Taluqs and the Tank

Restoration.

Restoration Scheme works and several
Provincial buildings. Original works
and the facts were represented in
1897 and the explanations were admitted
by Government as satisfactory vide
G.O. No. 633 A, dated 5.3.97. The work
in the Guntur Sub. Division has not
yet decreased and provision for the
employment of this clerk has
therefore been made for 1898-99.
Item 7. Additional Lassars for
Censurers in the Upland Taluqs:-
The 1st Budget sanctioning the in-
-crease of the additional Lassars
is not known but that they were
made to continue from the
Western Division before the amal-
-gamation. Please see G.O. No. 1076A
1.5.94.
These additional Lassars are required
in the Upland Taluqs on account
of insufficiency in Postal arrange-
ments and constant Camp work
required and provision has therefore
been made for them.

Esquire Executive Engineer, Western Western
Division to the Supg. Engineer, (under
No. 4361 dated 12th March 98.

Ref. His No. 4931A of 19-2-98.

I have the honour to inform you
that out of the sanction for the three
Temporary Draftsmen for this Division
given last year, there were actually
only employed one man for 8 1/2 months
and one for 1 1/2 months, owing to sick-
ness and transfer of the men, and
the impossibility of filling up the
2nd class vacancy on the pay offered.

2. Estimates amounting to Rs. 6,399.00
were submitted in the year, besides an
immense lot of work on land plans
and schedules being done, and the
ordinary maintenance and repair
estimates also have a quite dis-
-proportionate amount of labor.

3. There are now the complete
plans and estimates of the Appo-
-pam Block amounting to Rs. 16,500.00

that

that have been awaiting final
scrutiny for 10 months for want of
draftsmen and the preparation of
the schedules for the completion of
the project estimates is being much
delayed by arrears of pressing
current work.

4. The River Conservancy Sub-
Division Draftsman has been fully
employed in revising the river
charts and tracing plans con-
nected with encroachments &c.
As for the Project Sub-Division
Draftsman he is fully employed
in preparing plans in that office.

5. The Surveyors in the Project
Sub-Division, owing to want of
sanction none were engaged till
August 97 and the total of
months' work by Surveyors during
the current year will have been
2 Surveyors for 4 months and 6
Surveyors for 3 months and the full
number of Surveyors have only
been

been at work since January 1st
6. The Block levels for 16 sq. miles
for the Tungabhadra side channel
have been completed and the same
and levels of the Tungabhadra
Main drain for its whole length is
nearly completed.

7. The Block levels for Pundla
block are nearly finished and the
levels for East side channel improve-
ments.

8. In the coming year it is hoped
the following estimates will be
submitted.

(a) Appapuram High Level channel
(b) East side channel improvements
(c) Tungabhadra Drain complete river
estimate.

(d) Distributary channels of Pundla, Tun-
gabhadra, Villatur, Kollipara blocks.

in the print. accounts, water reports
Traffic and Irrigation returns.

Copy of letter from J.S.
Wilson Esquire, Executive Engineer West
Eastern Division, to the Superintend-
ing Engineer, No 644 dated 29.3.98

In reply to your No. 40 N. 4.
of 10th February 98, I have the honour
to submit a revised temporary es-
tablishment statement for 98-99 and to
explain as follows:-
Item 1 to 21: Workshop Establishment
This was sanctioned first in G.O. N.
365 W, dated 6-2-92 and continues till
now. As skilled labour is not available
in Bezawada, it is necessary to have
a continued sanction for this est^{ble}
for getting good and reliable work
done for the public works.
Item 22. Print Works. This post, was
sanctioned in G.O. N. 1921 W dated 17-7-89
and continues till now. As his ser-
vices are necessary for the proper
 upkeep of hand books, for the prepara-
-tion of print bills and masters of print

crews, Sanction for the continuance of the clerk's services is requested.

Item No. 23 Stock write. This was sanctioned in G.O. No. 1921 W. dated 17.7.89 and continues. His work is, checking and preparing the monthly, half yearly and periodical stock returns and preparing indent on Public Works Stores. As all this work has now been transferred to this Division continued sanction is requested.

Item No. 24 Sweepers. The Sweepers services sanctioned in G.O. No. 1318 W. of 17.5.89 are necessary and may be continued.

The pay of the Sweepers for the Cowbaram area is placed at Rs. 4. per month as the amount originally sanctioned has been found inadequate.

Item No. 25 Clerk to assist the P. Quarter Sub. Div. Clerk. This appointment was sanctioned in G.O. No. 4020 W. dated 1.6.94 and still continues. As the work in the Sub. Division is too heavy for one clerk the assistance of this clerk is necessary in checking measurements sheets, fair copying and despatching letters &c.

Item No. 26 & 27: Clerks for Division office on,

Rs. 40 and 20. The entertainment of these men though sanctioned in G.O. No. 1571 W. of 25.1.89, was not brought into effect for sanction. Temporary clerk on Rs. 40. is intended for the maintenance of records and the clerk on Rs. 20. for the accounts. In the application for '94-'95 sent by Krishna Northern Division the necessity for the continued employment of these men was explained and the Government in their order No. 6336 W. of 5.3.91 sanctioned their retention.

As the greater part of the work in Krishna Northern Division is transferred to Krishna Eastern Division, the record keeping and account keeping in the latter Division have been so much increased that sanction for the services of these two men are essential and it is therefore requested that the sanction may continue.

Item No. 28 Clerk on Rs. 40. The employment of this clerk was sanctioned in G.O. No. 1608 W. dated 28.6.94 and is employed in registering the letters and returns.

returns received and posting up the
Compensation registers and checking
award statements. As this work has
of late been increased owing to the
amalgamation with this Division of
all works in the Head-Quarters Sub
Division of the Western Northern Di-
vision, the continuance of this clerk
is absolutely necessary.

Item 29 Clerk on Rs 300. The employ-
ment of this clerk was also
sanctioned in G.O. No. 1608 A dated 28.6.94
and continues till now. He is engaged
in the preparation of work abstracts
which were about 300 in number pre-
vious to the amalgamation mentioned
in the last para. As most of the
works in the Eastern Delta are
executed departmentally the pre-
paration of work abstracts takes
much time. As a whole of the manu-
facture, workshop & the work registers
have now been taken over the
retention of this clerk is most necessary.

Item 30 Draftsman on Rs 30. His retenti-
ment has been sanctioned in the
above G.O. to cope with the addi-
tional work created by the old Gu-
vada Division.

As the work will now be further
increased by the addition of the
Head works, sanction for his retenti-
ment is requested.

Item 31: In G.O. No. 2517 A of 9-9-94
the appointment of a Boat Super-
intendent on Rs 150 was sanctioned.
Sanction for the continuance of
this appointment for the ensuing
year is requested.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

To

Your Office Note No. 2324 C dated
28th. April 1898.

Returned with the required certi-
ficate and with the remark that, under
G.O. No. 1692 W dated 25th. June 1897, the
entry in column "average or fixed pay"
in the case of items 16 to 18 of pro-
position statement of Kistna Eastern
Division should be Rs. 12 and not Rs. 10.
This is apparently a clerical error,
and the entries in column "Present
scale" have been corrected accordingly.
