PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From W. C. DeMORGAN, Esq., M.I.C.E., Executive Engineer in charge, I Circle, to the Chief Engineer, Public Works Department, dated Waltair, 14th April 1898, No. 41 G.L.

I have the honour to submit, herewith, the usual proposition statement of temporary establishment required in this circle for 1898-99 for your approval and sanction of Government.

2. The temporary establishment for which renewed sanction is solicited has been covered by sanctions to end of the official year 1897-98 as per orders quoted in the statement with the exception of the following :—

GODAVARI EASTERN DIVISION.

(1) *Clerk for Dumagudem Sub-Division.*—The present rate of pay, Rs. 20, allowed for the clerk, cannot persuade any competent clerk to go to Dumagudem, where the locality is unhealthy and the cost of living high. Formerly, an extra allowance of Rs. 10 per mensem was paid to the Sub-Divisional clerk for charge of stores. This raised the emoluments of the clerk to Rs. 30. But this allowance was discontinued from 1896-97 without increasing the pay, no competent clerk will be induced to go.

(2) *Assistant Clerk for the Rajahmundry Sub-Division office.*—The Executive Engineer reports that the work of the Sub-Division office has increased so much as to utmost two under the Sub-Division-officer, whereas the number of upper subordinates has increased to three. During the year 1896-97, a great deal of surveying was done, but the estimates have not yet been prepared for lack of time. The Sub-Division office is always greatly in arrears and this to a great extent due to the accumulation of plans and estimates in hand and it is therefore important to give the Sub-Division office additional assistance. The Executive Engineer strongly recommends the entertainment of the clerk and I agree with him.

Ganjām Division.—With reference to remark (d) in G.O., No. 3566 W. of 18th December 1897, I beg to explain as follows :—

Of the twelve permanent and thirteen temporary hands shown against Ganjām, nine permanent hands including draftsmen and two temporary hands represent the scale sanctioned for the Division office in G.O., No. 794 W. of 6th March 1896, and as already explained in paragraph 4 of my letter printed with the said Government Order, it seems impossible to effect any reduction in that scale. The rest of the permanent

hands, viz., three are Sub-Divisional clerks and this number cannot be reduced. As regards the remaining temporary hands eleven, three represent Assistant Sub-Divisional clerks for the three sub-divisions—Berhampur, Russellkonda and Chicacole and two clerks of Civil Agency sub-division—and these must be sanctioned year by year. The other six are extra hands and will be fluctuating every year. In the present statement the following extra hands are still considered necessary :—

One Clerk on Rs. 20 and one on Rs. 30 for Division office.—The sanction accorded for 1897-98 was received too late in the year and the clerks were not entertained in that year; hence the necessity for their inclusion in the current year's statement. They are required for sorting the vast mass of records and for destroying those not required.

One Draftsman on Rs. 50.—Proposed for the preparation of a register of plans of all masonry works connected with works for which Capital and Revenue Accounts are kept and agricultural works in the form required by Chief Engineer for Irrigation in his Circular No. 3 G. of 8th March 1897.

One Clerk on Rs. 15 for Russellkonda Sub-division.—The present sub-division comprises works which were constituted into three sub-divisions previous to the amalgamation and the Executive Engineer considers an extra hand on Rs. 15 in addition to the sanctioned scale for the sub-division is necessary till the completion of the Surada reservoir and connected works and I concur with him.

Vizagapatam Division.—A temporary draftsman on Rs. 20 has been allowed from 1st April to 31st July 1898 in order to clear off arrears in the drawing section of the office. This would count against the one on Rs. 30 reduced from the Superintending Engineer's office.

With reference to remark (e) in G.O., No. 3566 W. of 18th December 1897, I enclose an extract of letter, No. 4989, dated 26th March 1898, from the Executive Engineer explaining his reasons in support of the continued employment of both the clerks in Division office as shown in the statement and I consider that they are sound and time has not yet come for dispensing with the services of one of the clerks. I have called for figures in connection with this and shall forward it on receipt.

Subject to your approval, the establishment shown against proposed scale in Ganjām and Vizagapatam divisions in the statements has been entertained for the current year except the draftsman on Rs. 50 in the former division and the draftsman on Rs. 20 in the latter division. Should you see any objection to obtain sanction to any of these proposals, I request that you will be good enough to wire me the same in view to discharging parties whose appointments are not approved.

ORDER—No. 1570 W., dated 23rd June 1898.

The temporary establishment required in the I Circle during 1898-99, as detailed in the statement submitted by the Superintending Engineer with his letter recorded above, is sanctioned with the following remarks :—

(a) The assistant clerk on Rs. 15 per mensem proposed for the Rajahmundry sub-division is allowed on the understanding that sanction to his entertainment after the current year will be refused, unless strong reasons, supported by statistics, are adduced in support of the appointment.

(b) The two clerks required in the Ganjam division for sorting records, and for destroying those not required, should be dispensed with on the expiry of the present sanction. The draftsman on Rs. 50 should also complete his work in the current year.

2. This sanction has been registered as Provincial No. 29 W. of 1898-99 and classified as Establishment—Temporary.

Note. In the proposition statement submitted by the S.E., the following are the items that deserve notice: -

S.E.'s Office.

(a) 1 clerk on Rs 20 per mensem. The S.E. represents that the fair copying work in his office is so heavy that one clerk cannot keep pace with the work.

Godavari Eastern division.

(b) 1 clerk for the Durnagudem Sub division on Rs 30 per mensem instead of Rs 20 sanctioned last year. In regard to the increase of Rs 10, the S.E. explains that the present rate of pay, viz Rs 20, cannot persuade any competent clerk to go to Durnagudem where the locality is unhealthy and the cost of living high. He adds that formerly an extra allowance of Rs 10 was paid to the clerk for charge of stores and that this allowance was discontinued from 1896-97. The pay of a permanent Sub division clerk being Rs 20-30, the increased rate of pay may be sanctioned.

(c) 1 assistant clerk on Rs 15 per mensem for the Rajahmundry Sub division. The S.E. reports that during

20

The S.E. I cord

during the year 1896-97 a great deal of surveying was done; that the estimates have not been prepared for lack of time; and that the sub division is greatly in arrears due to the accumulation of plans and estimates in hand. The provision has therefore been allowed to stand ~~largest sub division~~ ^{water supply} ~~clerks to keep~~ ^{two} ~~any thing~~ ^{to date}.

(d) 2 clerks on Rs 20 per mensem for the division Office.

These hands are included in the scale sanctioned for the division Office on the amalgamation of the late Ruchikulya division, vide G.O. No 794W dated 6th March 1896, and the S.E. states that it is impossible to effect any reduction in that scale.

(e) 2 clerks for the division Office, one on Rs 20 and the other on Rs 30 per mensem for sorting records and for destroying those not required. The S.E. represents that sanction for 1897-98 was received too late in the year and that the clerks were not entertained. In the circumstances stated by the Suptg Engr, the provision may be allowed ~~they are not to be~~ ^{a register} ~~of plans~~ ^{of all masonry works} ~~connected with works for which Capital and revenue accounts are kept and agricultural works~~ ^{connected with works for which Capital and revenue accounts are kept and agricultural works} after the current year the effect that renewed sanction to the clerks should not be applied for after the current official year.

(f) 1 Draftsman on Rs 50 per mensem required for the preparation of plans of all masonry works connected with works for which Capital and revenue accounts are kept and agricultural works.

Flag B

works in the form prescribed by the Chief Engineer
for Irrigation - This work should be completed
by the end of the year.
g) Clerk on Rs 15 for the Russalkunda sub division

This is in addition to the permanent sub
division clerk and a temporary clerk on Rs 20.
The S.E. explains that the present sub division
comprises works which were constituted into
3 sub divisions previous to the amalgamation,
and that the extra hand on Rs 15 is necessary
till the completion of the Sinada reservoir and
connected works.

With reference to remark (d) in para
1 of G.O. No 3566W dated 18th December 1897, that
the establishment for the Ganjam division is
greatly in excess of that sanctioned for other
divisions of the same class, the S.E. offers
the following explanation: -

Of the 12 permanent and 13 temporary
hands shown against Ganjam, 9 permanent
including 2 draftsmen and 2 temporary
hands represent the scale sanctioned in G.O.
No 794 W dated 6th March 1896. The rest of
the permanent hands, viz 3, are the clerks of
three sub divisions. As regards the remaining
11 temporary hands, 3 represent additional
clerks for the 3 sub divisions Berhampore,
Russalkunda and Chica Cole and 2 belong
to the Civil Agency sub division. The S.E.
states that all these temporary clerks viz 7,
should be sanctioned year by year.
In addition to the above men, the S.E. applies
for 2 temporary clerks for sorting records

in the division office and they have been
sanctioned as a special case. vide remarks
against item (e) above. An assistant clerk
on Rs 15 required for the Russalkunda sub
division has also been allowed for the reasons
given against item (g). Thus the proposition
statement under review provides for the Ganjam
division 10 temporary clerks instead of 13
sanctioned last year and the former number
would have been reduced to 8 if the clerks
sanctioned during 1897-98 for sorting records
had been entertained in that year. Even
after neglecting the two clerks referred to, the
scale allowed for the Ganjam division
is excessive, but some allowance has
to be made for the fact that a large per-
centage of the men employed in the Ganjam
district are always on the sick list -

Vijagapatam division

(h) 1 temporary draftsman on Rs 20 per mensem
for 4 months required to clear off the
areas in the drawing section of the
division office.

With reference to remark (e) in
para 1 of G.O. No 3566W dated 18th December
1897, the S.E. submits extracts of letters
from the Executive Engineer, Vijagapatam
division, in support of the retention of
the

the two temporary clerks in the division
Office. The Executive Engineer has made out
a good case and the provision has therefore
been allowed to stand.

Dated the 14-4 1898.

Executive Engineer, Mech

18 Cielo Division

Received to this office NO. 4164
I. C. S. S. S.
Each from letter No. 4989 dated 26th
March 1898 from G. F. Hancock Esquire
Extra Engineer Viragabalam Division
to the Superintending Engineer, I. C. S. S. S.

4. In para 1 of G.O. no. 3566 of 18.12.97
it was stated that sanction for 1898.99
to the establishment of at least one of
the temporary clerks on Rs 20 each
sanctioned for the Division office would
be refused unless strongest reasons were
brought forward in support of the appoint-
ment.

(1) The first temporary clerk was
sanctioned in G.O. No. 2456 of 23.9.93
abolishing the appointment of Storekeeper.
The second one was sanctioned in G.O.
no. 1522 of 21.6.95 on the representation
made from time to time regarding
the difficulties in carrying out the
office work.

(2) The work of the office has in
no way been reduced since the above

sanction to warrant the reduction of one of the temporary clerks, but on the other hand the work has increased very much owing to the (1) transfer of Krasut Sub Division to this Department (2) the formation of the Viragabalam Water works Sub Division (3) the transfer of Irrigation works in the Kosiunkota Estate (now under the management of Court of Wards) to this Department (4) increase of work caused in copying out Estimates and Correspondence in connection with the Irrigation works of the Palcondah Taluk transferred to this Department (5) the increase in number of Upper Subordinates for the division from 6 to 11 and the consequent increase of work in the office. (6) The expenditure during the current year has increased in comparison with that of last year and it is expected that the expenditure for the next year will be much more. (7) One of the above 2 temporary clerks has been assisting in the Accounts Branch and the other Correspondence Branch of the office. There are large numbers of

of famine tools in addition to the ordinary tools of the Division. This requires the services of a Special Clerk until orders are received regarding the disposal of famine tools. I would again suggest that a permanent Storekeeper may be sanctioned in place of one of the two temporary clerks as the services of a Storekeeper are absolutely necessary, the want of one is greatly felt. If sanction for any of the above two clerks for 1898-99 be refused the work in the office will suffer.

Under the above circumstances I request that you will be pleased to recommend to the Chief Engineer to obtain the sanction of Government for the renewal of sanction of both the clerks.

SIR,

1 Proposition Statement
1 Extract from Vizingth Div
E. G.'s letter no 149897 26.3.98

I have the honour to submit
herewith the usual proposition
Statement of Temporary
Establishment required
in this Circle for 1898-99 for
Your approval and Sanction
of Government.

2. The Temporary Establishment for
which renewed Sanction is
solicited has been covered
by Sanctions to end of the
official year 1897-98 as
per orders quoted in the
Statement with the exception
of the following.

Gody Eastern D.

2/2/98
4313

Code of Eastern Div.

(1) Clerk for Dumagudem Sub Division. The present rate of pay Rs 20/- allowed for the Clerk, cannot persuade any competent Clerk to go to Dumagudem where the locality is unhealthy and the cost of living high. Formerly, an extra allowance of Rs 10 per mensem was paid to the Sub D. Clerk for Charge of Stores. This raised the emolument of the Clerk to Rs 30. But this allowance was discontinued from 1896-97. Without increasing the pay, no competent Clerk will be induced to go.

(2) Assistant Clerk for the Rajahmundry Sub D. office

The Enquiry report states that the work of the Sub Division office has increased so much as to be beyond the powers of a single Clerk. There was formerly

only one overseer or at most two under the Sub Division officer whereas the number of other Subordinates has increased to 3. During the year 1896-97, a great deal of surveying was done, but the Estimates have not yet been prepared for lack of time. The Sub Division office is always greatly in arrears and this to a great extent due to the accumulation of plans and Estimates in hand and it is therefore important to give the Sub Division office additional assistance. The Enquiry strongly recommends the entertainment of the Clerk and Japer with him.

Ganjam Division

With reference to Remark

(A) in G.O. no. 3566 W of 18.12.97, I beg to explain as follows:—

Of the 12 permanent and 13 temporary hands shown against

against Gaujam 9 permanent
hands including draftsmen
and 2 Temporary hands
represent the scale sanctioned
for the Division office in G.O.
no. 7941 of 6.3.96 and as
already explained in para 4
of my letter printed with the
Said G.O., it seems impossible
to effect any reduction in
that ^{scale} establishment. The rest
of the permanent hands, viz
3 are Sub Divisional clerks
and this number cannot
be reduced. As regards the
remaining temporary hands
11, 3 represent Assistant Sub
Divisional clerks for the 3 Sub
Divisions, Bellampore, Rissala
-Kenda and Chicaole and
2 clerks of Civil Engineer Sub D.
and these must be sanctioned
year by year. The other six are
extra hands and will be
fluctuating every year. In
the present statement the

the following extra hands are
still considered necessary.

One clerk on Rs 20 and one on
Rs 30 for Division office - The
Sanction accorded for 1897-98
was received too late in the
year and the clerks were
not entertained in that
year. Hence, the necessity
for their inclusion in the
current year's statement.
They are required for sorting
the vast mass of records
and for destroying those
not required.

One Draftsman on Rs 50.

Proposed for the preparation
of a register of plans of all
masonry works connected
with works for which Capital
and Revenue accounts
are kept and agricultural
works in the form required
by Chief Engineer for Irrigation
in his Circular no. 3 of
8.3.1897.

One

One clerk on Rs 15 for Russell-
-Kanda Sub Division.

The present Sub Division
Comprises works which were
Constituted into 3 Sub Divs.
previous to the amalgamation
and the Exec Engineer Consi-
-ders an extra hand on Rs 15
in addition to the sanctioned
Scale for the Sub Division is
necessary till the Completion
of the Simada Reservoir and
Connected works and I
Concur with him.

Vizagapatnam Division

A Temporary draftsman
on Rs 20 has been allowed from
1st April to 31.7.98 in order to
Clear off arrears in the drawing
Section of the office. This
would count against the
one on Rs 30 reduced from
the Supt Engineer's office.

With reference to remark (E)
in G.O. no. 3566 W of 18.12.97, I
enclose an extract of letter
no. 4989 Dated 26.3.98

from the Exec Engineer ex-
-plaining his reasons in
Support of the Continued
employment of both the clerks
in Division office as shown
in the Statement and I
Consider that they are sound
and time has not yet
Come for dispensing ^{with the services of} one of the
clerks. I have called for
figures in Connection with
this and shall forward
it on receipt.

Subject to your approval
the Establishment shown
against proposed Scale
in Ganjam and Vizagapa-
-tam Divisions in the
Statement has been
substantiated for the current
year except the draftsman
on Rs 50 in the former
Division and the draft-
-man on Rs 20 in the
latter

last Division. Should
you see any objection to
obtain sanction to any
of these proposals, I request
that you will be good
enough to wire me the
same in view to discharging
parties whose appoint-
ments are not approved.

I have the honour to be,
