READ—the following paper:—

From L. L. WICKHAM, Esq., Executive Engineer, Nellore Division, to the
Superintending Engineer, II Circle, dated 2nd May 1898, No. 303 A.

I have the honour to inform you that the building occupied by the Deputy Collector's cutcherry at Naidupett (Item No. 132 A. of the register of public buildings) is vacant consequent on the transfer of the cutcherry to Gudur as Head Assistant Collector's office, and the Collector of Nellore has recommended its transfer to the Gudur Taluk Board for use of the hospital at that place on condition of keeping it in thorough repair and handing it back to Government when required.

2. The heads of the several departments in the district were asked whether the building will be required for their use, and all of them replied that it is not required with the exception of the Superintendent of Post offices, who states that a building for the location of post office is needed, but the one under reference would be too large for a small branch office, the establishment of which consists of only a branch post-master.

3. I have the honour to request that the requisite sanction of Government may be obtained to the transfer of the building to the Taluk Board of Gudur on conditions specified above.

4. Copies of correspondence *anent* the proposed transfer are enclosed for information.

BACK PAPERS.

District, on the condition that the building will be in repair by the Board, & surrendered again to Govt. if required.	

The Collector approves
the proposal, & the Taluk
Board accepts the conditions.

The President Taluk
Board thinks that the Board
should have an assurance
that they will not be
disturbed in possession for
6 years, but the Secy. says
that a guarantee to
this effect cannot be given.
It seems advisable therefore
not to say anything on this
point.

Copy of Gudur Taluk Board President's
No. 821 of 23rd August 1896 to the Collector
G. S. B. of

of Nellore.

In reply to your Ref: Nos 1228;
2871 & 3039 dated 13th August/96, I have the
honor to submit herewith copy of the Taluk
Board Resolution No: 81 dated 20th August/96, in
which it was resolved to take over the late
Naidupett Repuliz Collector's Office building on
condition of keeping it in thorough repairs
and handing it back to Government when
required.

2. It is desirable that the Board
should have, if not an absolute guarantee
at least a reasonable assurance that they
will not be disturbed for some considerable
period say 6 years, as this is a consideration
which may affect their decision as to what
expense should be incurred on improvements
in the shape of veranda etc to render the
building suitable for a hospital. Otherwise
in the case of a very early resumption
of building and addition made there
might be a considerable loss, unless
Government should think fit to make
allowance for improvements which might
not however be such for their purpose.

3. The original papers are returned

Sanction of Government for the transfer
of the building will be applied for.

I regret that I am unable
to guarantee the occupation of the
building for a period of six years as
if any investigation or important work
were undertaken in the neighbourhood
it

it would be probably necessary for this
Department to make use of the building.
