OFFICE OF THE SUPERINTENDING ENGINEER,

15th June 1898

From

Leob. C. V. Bddy R.E.
Superintending Engineer,

6th Circle.

To

The Chief Engineer,

P. W. D.

SIR,

ENCLOSURES.

With reference to your Memorandum No. 2685 C of 30 May 1898, I have the honor to inform you that what the Superintendent of Post offices, Trichinopoly Division, asked me to have prepared was a rough plan and estimate for a combined Post office building at Kodaikanal - and it is this rough plan and estimate which I supplied him with, which you have now returned to me with the above quoted Memo. It was intended to give the Post office authorities an idea of the building with its approximate cost and I presumed that, if these were found to be satisfactory, I should have been asked to prepare regular plans

and estimate which those you re-
turned to me were not intended
to be.

I have the honor to be
Sir
Yours most obedt. Servant.

V. V. Roddy, Lt. Col. R. E.
Infy Engineer, 1st Circle
