PROCEEDINGS OF THE BOARD OF REVENUE

(Revenue Settlement, Land Records and Agriculture).

Read—the following G.O., No. 287, Revenue, dated 20th May 1898 :—

Read—Proceedings of the Public Works Department, No. 1217 W., dated 13th May 1898, on the following letter from the Superintending Engineer, II Circle, No. 1302-K., dated 28th April 1898 :—

The fortnightly narrative of the Nellore district for the fortnight ending 28th February was received by me with your endorsement No. 1028 W., dated 25th April 1898, on 28th instant, that is to say, nearly two clear months after the period to which it refers.

Order—

Communicated to the Revenue Department.

2. The fortnightly narrative in question was printed with G.O., No. 188, Revenue, dated 31st March 1898, which was received in the Public Works Secretariat on 22nd April 1898. The narratives are consequently practically useless as far as this department is concerned, and it was the same during the famine of 1896–97. It is suggested that Collectors should send direct to Superintending Engineers copies of their narratives or of such portions of them as are of interest to this department.

Order thereon—Press No. 287, Revenue, dated 20th May 1898.

The Board of Revenue will issue a rule that Collectors of affected districts should send direct to the Superintending Engineers concerned copies of their fortnightly narratives.
