2. W. E. A. French

On the whole, I think pass. & had better
stand. It gives a short summary which
is better than nothing. If the Sec. of State
woud more rational, he cou refer to the
original letter. The Govt. of India and
the Sec. of State ought to be referred
to other papers.

2. The Joint Secretary to the
Govt of India P.W.D.

Sir, I am directed to forward
for transmission to the ^{proper} authorities
of State for India, the accom-
panying memorial ^{with enclosure} from
Mr E. A. French, late a Sub-
Commissioner in the Madras Pres.
praying that he may be re-
stored to his appointment
the P.W.D., with all the emolu-
ments of pay, or that he may be
admitted to a pension pro-
portionate to the length of his
service and with effect from

the date of his removal from the service.

2. The facts of the case were reported to the Govt of India with His Government letter N^o 3080 W.D. 5.11.87 with which was forwarded Mr French's appeal to that Government; and in Mr Walker's letter N^o 3362 G.D. 22. December 1887, the Government of India intimated that "after carefully perusing the Memorial and the papers submitted," they saw "no reason for a reconsideration of the decision of the Madras Government."

3. Mr French, it will be observed, was dismissed from the service on the charge that while holding the appointment of Engineer to the Jeypore Estate in the Agency tract of the Vizagapatam D^o, he on three different occasions gave advances of Rs. 3000 at a time to a Contractor for 300 gattes of lime, barely sufficient which quantity was never received; that he made

the 2^d and 3^d advances before came to the value of the 1st advance had been received; and ¹⁵¹ further that he signed certificates that payments were made on materials actually received, that the necessary measurements had been made by him, and that the work had been satisfactorily performed. These were the most serious of the many charges preferred, and as, for the reasons already reported to the Govt of India with the letter referred to in para 2 above, this Govt considered the charge to have been completely proved, it was decided, independently of the other charges, which it was thought unnecessary to go into, that the delinquency could not be adequately punished by anything short of dismissal from service.

4. The present Memorial adduces no fresh grounds

for consideration by this Government. It is accordingly forwarded to the Govt of India for transmission to the Secretary of State under para IV of the Rules for the transmission of memorials to Her Majesty's Home Government; and I am to state that this Govt sees no reason to make any recommendation on memorialists' behalf.
