A third man, named Hanumantha Row was appointed Acting Sub-Overseer, and ordered to take up the duties vacated by Govindarajulu Moodr.

Govindarajulu Moodr. was relieved by Hanumantha Row on 1st June 1897 and he proceeded to relieve Kundaswami Mudr.

Meanwhile, while Kundaswami Mudr. was awaiting relief, he was assaulted by ryots, while in the execution of his duties on 28th May, and a Court case was the result. Pending the result of the case, he was retained in the service, and subsequently he was further retained until all tools in his charge were checked by the relieving Sub-Overseer Govindarajulu Mudr. The latter finally took over charge on 15th June 1897, and Kundaswami was then discharged.

The matter now under disallowance is the pay of the acting man Hanumantha Row (from

from 1st to 15th June 1897, Kandaswami Mudr. having been retained in the service during that period, the Examiner holds that there was no vacancy against which the pay of Hanumantha Row can be passed. The Superintending Engineer requests that the pay may be sanctioned as an extra charge, and in the circumstances explained, it is proposed to authorise the Examiner to admit the charge.

Sir,

With reference to your No. 4742 of 15th December 1897, I have the honor to explain the exact circumstances which led to the delay in Govindarajalu Mudeliar taking over charge from Sub Overseer Kandasawmy Mudeliar as below and to state that the delay was unavoidable.

The Executive Engineer's order No. 1799/6-5-97 of — dispensing with the services of Sub Overseer Kandasamy Mudeliar and transferring Govindarajalu Mudeliar to the Thadapally Channel was received in the Sub Divisional office, on 13th May 1897 and communicated through the apprentice Engineer Bhavani to the Sub Overseers on 18th May 1897 who duly received the orders on 24th May 1897.

Sub Overseer Kandasawmy Mudeliar before being relieved and while discharging his legitimate duties was assaulted by the ryots of Ammapolliam on 28th May 1897. The apprentice Engineer who was then in charge of Bhavani Section thought it necessary in

the

the interests of Government to retain the Sub Overseer till the above assault case is decided, and so reported the matter to the Sub Divisional Officer and awaited orders.

Reply from the Sub Divisional Officer directing the Apprentice Engineer to relieve Kandasawmy Mudlr at once was received by him on 6th June 1897 and communicated to the Sub Overseer who duly received it on the 9th June.

As the tools that were in charge of the channel lascars having been issued without receipts had to be checked by the relieving Sub Overseer and as they were in use on the channel till the 9th, orders were issued to the channel lascars on the 10th by Kandasawmy Mudeliar to present the tools for checking. After having checked the tools Govindarajulu Mudlr took over charge from Kandasawmy Mudeliar on the 15th June 1897.

With reference to endorsement from the S.S. The Sub divisional officer's letter on the subject is not quite clear. It should be stated whether Kundaswami Naidu was detained to give evidence in a court case, or otherwise, & whether from the 1st to 15th June 1897, he did duty as a Sub overseer, or a maistry. It is also not clear why he could be paid as a maistry from 1 to 15 June.

With reference to your No. 2581 of 30th June 1897, herewith returned, I have the honor to inform you that the delay in taking over charge was not due to the mistake of Sub Overseer Govindaraju Mud.

2 Kumdasami Mud. was assaulted by the ryots as reported already while discharging his duties and it was thought that at such a crisis if he is sent away, the case will be spoiled. In this point you have also agreed subsequently, and arranged to retain him temporarily as a maistry.

3 On the same subject there was some correspondence between the Section and Sub-Division which naturally took about 10 or 12 days and hence the delay.

ENCLOSURES. 1

I have the honor to bring to your notice the following case and request you will kindly obtain the sanction of Government to enable the Examiner to pass the claim of Hanumantha Row acting Sub Overseer 3d Grade Arakencottah Channel, from 1st to 15th June 1897, under the following circumstances:-

2. When the services of Sub-Overseer Kundasami Mudr. were ordered to be dispensed with, V. C. Govindaraju Mudr. Sub-Overseer in charge of the Arakencottah Channel was appointed in his place. As an acting arrangement, one

one Hanumantha Row was deputed to relieve Govindaraju Mudr. and he relieved the Sub-overseer on the 31st May 1897 afternoon. Govindaraju Mudr. proceeded to relieve Sub-Overseer Kundasami Mudr., but was delayed in taking over charge., ~~and which~~ This delay the Sub-Divisional officer Erode explained in his letter No. 1646 dated 16th July 1897 (copy attached). Govindaraju Mudr. took over charge on the 15th June 1897 Afternoon.

3. As Hanumantha Row was in charge of the Arakencottah channel from the 1st June 1897 salary for him was accordingly claimed, but the Examiner disallowed it on the ground that from the 1st to 15th there was no vacancy against which the claim could be admitted, as Govindaraju Mudr. was passed the pay of Sub-overseer 3rd Grade for that period.

4. As the delay in Govindaraju Mudr. in taking over charge was unavoidable, I request you will be good enough to obtain the sanction of Government to admit of the claim from 1st to 15th June 1897 of Hanumantha Row.
