No.	Date.
by the S. E. with his letter No 127c dated 25th March 1898, the pay of the temporary draftsman required for the Bellary divisional Office was entered as Rs 30 while that sanctioned in 1897-98 was Rs 20, and no reasons were assigned ^{for} the proposed increase of pay. It was therefore disallowed vide para 161 of G.O. No 1328 W dated 25th May 1898. The S.E. now reports that it is very difficult to procure a passed man on Rs 20, and that he has obtained a 2nd class draftsman for Rs 30. The increased rate of pay may therefore be sanctioned.	
2	It is now stated that the watchman sanctioned for the Bellary division, is required to watch the P.W. Office during nights. His pay should therefore be charged to "Civil buildings Repairs" and not to "Tools and Plant" as ordered in G.O. No 1328 W dated 25th May 1898. A para to this effect has been added to the draft order.

Sir,

Enclosures.

With reference to para 1, (d) + (e) of G.O. No 1328 W dated 25 May 1898, I have the honour to state that it is very difficult to obtain a passed man to take up a temporary appointment as draftsman on Rs 20, and hence the pay was increased to Rs 30, and as I have now obtained a man who has passed in the 2nd Class for this appointment, I request that you will be good enough to obtain the sanction of Government to the same.

2. The watchman is required to watch the Combined Subst.

BACK PAPERS.

Engineer and Exec. Engineer's offices during
nights as the sanctioned strength of
peons does not admit of a man being
told off separately for this work, and
therefore the pay should, it is considered,
be either charged to "Temporary Establish-
ment" or "Repairs" of the buildings and
not to "Tools & Plant".
