Appointment of a temporary Engineer on Rs. 250 for 12 months was sanctioned. It is recommended that the post be conferred on Mr. D. Brodie who was till lately employed on the Nilgiri Railway as an Engineer, and who has thus acquired much practical experience. vide his testimonial.

An officer is required for building the bridge over the Aulias river, Anamalai Hills, and Mr. Brodie may well be employed on that work, and on the adjacent road-making. I propose placing him on the Havelock Road first in the time necessary to complete the estimate.

G. O. N^o 811 W dated 25th March 1898
Letter from M. R. Ry. N. Pranamarti Hara Aiyar D^o 25th May 1898

M. R. Ry. N. Pranamarti Hara Aiyar, B.C.E., is appointed temporary Engineer on Rs. 250 per mensem for a period of twelve months, subject to the conditions for the employment of temporary Engineers as laid down in Public Works Code, Volume I, Chapter I, para 110, Rule IV. He is posted to the Coimbatore Division, IV Circle, for employment on the Anamalai Ghat roads under Mr. M. Hoan, Assistant Engineer.

I have decided to recommend in sanction, the appointment of Mr. David Brodie, Asst. Engr. Nilgiri Ry. instead of Mr. Hara Aiyar who can be informed that his services are not req^d at present.

These remarks are according to the order of the Government. Fortified

See in the G.O. quoted above

the appointment of a temporary Engineer on Rs. 250 for 12 months was sanctioned. It is recommended that the post be conferred on Mr. N. Pransanti Hara Aiyar who passed out of the Madras College of Engineering as Assistant Engineer in 1886, and who has taken the Degree of Bachelor of Engineering of the Madras University. Since he left the College, Mr. Hara Aiyar has acquired much practical experience on works. Vide his testimonials.

An officer is required for building the bridge over the Aulias river, Anamalai Hills, and Mr. Hara Aiyar may well be employed on that work.

S. A. O.

The appointment of a temporary Engineer on Rs. 250 for 12 months has been sanctioned in G.O. No. 811W of 25th March 1898.

We propose to recommend to Govt. an unpassed European for the post, saying that he has sufficient practical knowledge of engineering to merit the appointment.

I doubt whether the Candidate may be appointed without being exempted from the examination rules.

Para 51, Chapter II, Volume I of the S.W. Code, empowering local Govts. to dispense with tests in theoretical knowledge, applies to appointments to the upper subordinate ~~unsubordinate~~ and not to the Engineer Establishment.

Under the rules contained in the Public Service Notification (vide pages 199-206, Part I B, Fort St. George Gazette of 19.4.98), rule 6 which apply to all appointments, whether pensionable or non-pensionable, temporary or acting (vide Note (2) prefixed to the rules), no Candidate is eligible for appointment as "Assistant Engineer" unless he has passed the examination prescribed for the Civil and

Mechanical

Mechanical Engineering Classes,
"College of Engineering, Madras,
"and also the B.C.E. degree
"Examination." (Rule 5)

I beg that you will
kindly favour me with your views
on this point, and that C's
Office may be consulted, if necessary.
