until he is absorbed, there being an excess in the 60-2-80 rs. grade.

3. The Government however considers that the locum tenens of Lutchmana Rao may be allowed to retain the pay he has drawn from October 1897 up to date but that he should now revert to his previous appointment, whatever it may have been. This reversion will necessitate Lutchmana Rao being transferred as a Head Clerk to a Division and the Superintending Engineer will therefore post him to any Division [except Negapatam].

Note for W. All the appointments on Rs 60 to 80 in the I Circle are held by Head clerks, and if Lutchmana Rao is to retain the grade of Rs 60 to 80, he should be posted as a Head Clerk. He cannot be allowed to retain his grade and a clerk on less pay be made to do the duty of Head clerk. Lutchmana Rao has long been Head clerk and he should therefore be able to discharge the required duties. He was pronounced unfit only in the Negapatam Division and he may therefore be tried in any other Division.

Rs 60-80 grade and posted to the Nagapalam division as Head Clerk. There is then an excess in the grade, & the Govt suggests that P. Lutchmana Row be treated as a supernumerary until he can be absorbed. The other man can hardly be reverted to the lower grade, as he has been performing the duties of Head Clerk, & to make him reassume the extra pay he has drawn would be a hardship. It is proposed to accept the Examiner's suggestion - <i>on</i> <i>W. H. S.</i>		The <u>Examiner</u> suggests that he should be retained in the pay he has drawn, from Oct. 1/97 up to date. But, I think he should now revert to his previous addt., whatever it may have been. A.H. 22.6.98
