required for his use. The S.E. was asked to furnish information as to the date of purchase and cost of repairs regarding certain tents, but he replied that the information could not be obtained from his office records. The S.E.'s proposal to dispose of the old tents was ^{then} approved vide Memo No. 2156C dated 18th April 1898. The estimate now submitted, provides a hill tent 14' x 14' for the use of the Suptg. Engrs. No tent being available for transfer from other Circles, it is proposed to sanction the estimate.

We have a register of tents
supplied to the officers of the Depto
from 1894, when the supply at
Govt. expense was sanctioned by
the Govt. of India.

A subaltern tent was purchased
from Mr. H. H. H. for Rs 200. This
tent was intended for the use of
the office and its condition was
reported on by Mr. H. H. H. vide
item (b) of his report flagged Q.

The Hill tent now proposed to
be sanctioned is to replace one
which was reported by Mr. H. H. H.
to be very old and useless vide

item (c) of the report flagged Q.
It was purchased long before 1894
and the date of its purchase is not
known. There is thus no reason to
think that the tent which is to
be replaced ~~before~~ was purchased
from Mrs. Hauman.
