Ordered that the — for stores emergently required for use in the Lighthouse division be forwarded to the Director-General of Stores for compliance.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From F. W. ASHPITEL, Esq., Superintendent of Works, Lighthouse Division, to the Chief Engineer, Public Works Department, dated Madras, 19th April 1898, No. 974.

I have the honour to forward, herewith, a special urgent indent on England for stores required for works in this division.

From Colonel A. W. SMART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department (through the Examiner, Public Works Accounts, Madras), dated Chepâk, 29th May 1898, No. 369 W.

With reference to your endorsement No. 2265 C., dated 26th April 1898, I have the honour to submit a special indent, in triplicate, for english stores required from England for the use of the Lighthouse division.

The items 1 to 7 are urgently required at Madras and the remaining items 8 to 26 are required before September 1898.

From the Examiner, Public Works Accounts, dated 14th June 1898, No. 2050 B./B.
" Superintendent of Works, Lighthouse division, dated 29th June 1898, No. 1108.
" Superintending Engineer, V Circle, dated 6th July 1898, No. 435 W.

ORDER—No. 1713 W., dated 7th July 1898.

The indent will be forwarded to the Director-General of Stores for compliance.

[Here enter No. 1714 W., dated 7th July 1898.]

Letter No. 2018 B/B

Dated 16th June 1898

From the Inspector P.W. accounts

NOTE BY TECHNICAL SECTION.

Name of work Horse Indenting

The Service Circle, submits a Special Indent in triplicate for stores required from England, for the use of the Light Horse Brigade.

The indent provides for the following articles:-

1 Trinity stove carbon burner with lamp, spare cylinders and spare carbons.

1 Wigham's improved revolving screen, small size.

1 Wigham's improved revolving screen, turbine pattern with ball bearings & fan complete.

190 gross of brass screws ranging in size from 3" to 3/4".

138 pieces of 1/4" polished plate glass ranging in size from 40 1/2" x 8 3/4" to 10 1/2" x 6"

108 pieces of sheet window glass weighing 26 oz. & ranging in size from 25" x 12 1/2" to 7 1/4" x 4 3/4".

The amount of the indent has been altered from £ 124 to £ 125 owing to errors in calculation.

The items of plate glass are entered in three separate groups, viz, item 8 to 13, 16 to 19 and 21 to 23 & the rates for the following sizes vary from each group, thus,

Groups 8 to 13. Size 60½" × 83/4" = £ .. 5. 10 each.
Do 16 to 19. — Do - Do = .. 6. 11 —"—
Do 21 to 23. — Do - Do = .. 6. .. —"—
Do 8 to 13 — 29" × 10½" = .. 5. - do.
Do 16 to 19 — 29" × 10½" = .. 4. 7 - do.

The articles entered Nos 1 to 7 in the indent are reported to be urgently required at Madras & the remaining Nos 8 to 26 before Sept. 1898.

The rates entered cannot be checked with the rate list issued by the D. G. of Stores, owing to the items not finding a place in them.

The Examiner P.W. Accts. has granted the necessary certificate as to funds being available during the current official year 98-99.

To

W

BEFORE I can give the usual certificate as regards funds, please state whether the necessary grant to meet the value of the English Stores included in the accompanying Indent No 6 of 1898-99, received from The Superintending Engineer V^c Circle, will be provided for later on in the year.

2. The value of the Indent amounts to Rs. 2010 at 1sh 3 1/4 d, the rupee, the current rate of exchange, inclusive of 3 per cent. charge for Insurance and Departmental Supervision.

W/7.6.98

C.

Rec'd 7.6.98

...articles required for the public service, which cannot be manu... India, are, as an almost invariable rule, to be obtained by indenting ... Secretary of State. The Store Department at the India Office constitutes ...al agency, which is maintained for the express purpose of purchasing ... in England on account of the Government of India, and, save in the ... cases mentioned below, stores of European manufacture must not b... t in India, or obtained direct from Europe independently o... the India ...

... The special cases in which, with the previous sanction of the Govern... of India or of the Local Government, as the case may be, stores of ...pean manufacture may be obtained in India, are :—

... When for any special reason it may be more economical to do so ;

... When stores indented for from England have not arrived, and inconvenience to the public service is anticipated from the delay in the supply ;

... When the stores are perishable.

... Indents for public works stores, other than railway stores, so long as ...re within the grant assigned for the purpose, should be sent direct by ...retaries in the Public Works Department of the several Local Govern... ...nd Administrations to the India Office ; three copies of printed and ...manuscript indents should be sent, and a copy be submitted to the ...ment of India.

...te.—Copies of indents chargeable to Provincial and Local Funds are not required to be sent to ...ment of India.

... This form of indent should invariably be adhered to, other modes of ...on being entirely discarded, and requisitions in the body of letters, ...ay be overlooked or misunderstood, being specially avoided.

... The columns (wh... sufficiently explain their own meaning) must be ... without alterati... and others are not to be substituted, any remarks ... be considered ...cessary being confined to the column for that pur... ...ph s... uld contain every explanation that may guide in the supply ...ern ... the articles required.

... Where an established proportion for general stores has not yet been ...hould consist of three years' ordinary expenditure : the quantities in ...he date of requisition being added to the quantities due upon former ...the difference between the aggregate of these two columns and the ...d proportion is the proper quantity to be asked for. This procedure ...tended to, will always keep up an ample supply for general service ; ...er, in exceptional circumstances, it is found desirable to exceed the ...d proportion, the reason for so doing must be inserted in the ...f remarks. The calculation of the established proportion on the ...hree years' ordinary expenditure is not applicable in the case of ...

... The columns printed in red ink are to be left blank for completion ...d.

... In the column of remarks, the port to which stores are to be consign... ... be stated, and also the names of the last two or three vessels whose ...ents have been included in the quantity in store as shown in column ...

... Each indent must be accompanied by a certificate of the necessity ...ores indented for, and that they cannot be advantageously procured ...anufacture or from surplus stores of other departments, railways ...istrations.

... In the case of stores for imperial purposes (including all state rail... ... year not yet begun, the sanction of the Government of India must ...l to the proposed allotment before the Examiner can give his ... ; but for stores for provincial services (except provincial state ...the sanction of the Local Government or Administration will suffice ...aminer.

... When it is expected that the outlay will be provided partly in one ...partly in another, the following addition should be made to the ...'s certificate—"and that the balance of the estimated outlay in ...er £ (———) will be provided by the Government of India in the ...f the year 189 -9 . *Vide* Government of India letter No. ..."

... preparing indents attention should be paid to the rules on the sub... ...endix O. (P. W. Code, vol. I.)
