From

To

THE SECRETARY TO GOVERNMENT,
MARINE DEPARTMENT,
CHEPAK.

Sir, I have the honor to request that the sanction of Government may be accorded and funds allotted and placed at the disposal of the Public Works Department to an expenditure of Rupees (300) three hundred for reconstructing the Heptagon at the end of the Western or Wooden grove at Gangotri (Kunda-pur). No provision was made on this account in the Budget-Estimate for 1898-99, as at the time of the preparation of the Budget it was not anticipated that the expenditure was likely to be incurred during the year. The work is of an urgent nature.

ture, as without it the grogue
not considered sufficiently
strong to resist the force of the
enormous breakers during the
season.

The expenditure can be met
from the western group Port funds.

I have the honor to be,

Sir,
Your obedt. servant,

A. A. Theet

Commander, R. I. M.,
