CURRENT No. 12453

For Orders.

His name referred over.
A.9H 21.12.97

The Supdt Engr V Circle strongly recommends, and the Ch. E. for very supports the request, that the Supdt. Red Hills Tank be granted an increase of pay from Rs 25 to Rs 40, or that the pay of the post be raised to Rs 30, & the present incumbent granted a personal allowance of Rs 10 to make up his pay to Rs 40.

The man has been drawing Rs 25 per mensem for 1895, before which he drew Rs 15 from the time of his appt. in 1890.

The question of the re-organisation of the Irrigation Conservancy establt. is under consideration, and until it has been finally worked out, it does not seem desirable to permanently increase the pay of any particular post. Strong reasons are given for increasing the pay of this particular indivl, and if the reasons are accepted, he might be granted a personal allowance of Rs 10 per mensem, to make up his emolument to Rs 40 per mensem.

SUPERINTENDING ENGINEER'S OFFICE,
V CIRCLE, MADRAS,
Camp Red Hills
Chepák, 16th June 1897.

No. 316 E.I.

From Colonel C.C Rawlinson R.E

SUPERINTENDING ENGINEER, V CIRCLE,

To THE Chief Engineer
For Irrigation.

SIR,

With reference to your Memo
No. V/85 dated 21st December 1896.
Enclosures.

I have the honour again to draw your attention to my letter No. 406 E.I dated 17th December 1895. regarding the case of the Red Hills Tank Superintendent, and to point out that the whole scheme for the reorganization of the Conservancy Establishment appears to have been shelved & to request that the case may be again considered.

2. The Superintendent has been at the Tank since 1880, his pay on joining was Rs 15, it was raised to Rs 25 in 1886 after

500—25-2-96.

P.W.D.
12453/97

after the Cyclone when the tank breached.
The Superintendent is a most useful
man - he knows the tank thoroughly
& can survey & level well - It would
not be in the interests of Government
to move the Superintendent in order
to promote him.

3. I consider that his pay should
be Rs40 - if it is not considered advis-
-eable to raise the pay of the appoint-
-ment as much as this - I think that
the pay of the appointment should
be raised to Rs30 & the present Super-
-intendent N. Ponnusawmy Naik should
in addition be given a personal allowance
of Rs10 as a reward for long & good service
& as a compensation for not getting promo-
-tion, it being inconvenient to move him
from the place -

Proposition
Statement.

I have the honor to forward herewith an application from the Superintendent of the Red Hills Tank for an increase of pay.

The Superintendent not only looks after the regulation of water, but also attends to the execution of works within a radius of 6 miles. He can level & survey fairly well and is capable of preparing small Estimates.

On the consideration of the above qualifications and as I have always found him working satisfactorily I recommend that his pay be increased from Rs. 25 to 40.

From Lieutt Colt C.C. Rawson RE.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer
For Irrigation.

SIR,

I have the honour to forward herewith Copy of letter No 3013 dated 27th November 1895 from the Executive Engineer Chingleput recommending that the pay of the Red Hills Tank Superintendent be raised from Rs 25 to Rs 40.

2. I most strongly recommend this increase of pay. The Superintendent has done & is doing excellent work at the Red Hills Tank. And lately owing to his having to keep records of the discharge from the various irrigation sluices & also the Register of the evaporation his work has become very much heavier than

il-

Enclosures. 1

M.S.S.

250—31-10-94.

it was.

3. The last increase of pay given to the Superintendent was on the occasion of the breaching of the Red Hills tank & was likeline given to him as a reward for good Service rendered.

4. It is I consider absolutely necessary that this man should be retained in charge of the Red Hills tank - I cannot therefore promote him to a more highly paid appointment in the Conservancy Establishment.

5 I recommend that he be appointed a Sub Overseer 2? Grade on Rs 40; the minimum pay of the appointment being Rs 35 as a reward for long and meritorious Service.

I have the honour to be
