NOTES.

Reference to P. W. D. Code

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing *sanctioned* scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

Copy of letter from L. L. Wickham
Esq., Executive Engineer Vellore Division
to the Superintending Engineer Haveli
dated 17th May 1898. Ament No 579/98.

I have the honor to forward herewith a
proposition statement for extension of temporary
establishment sanctioned in G.O. No 2215W
dated 13-8-97 for a period of 3 months.

The investigation of the Hagipuram
Project on which the establishment was
employed for the past 3 months has been
completed and rough plans & estimates
are under preparation.

The preliminary investigation of the
Paleru Project in Davigini Taluk shows it
to be a feasible and profitable one
and it will therefore be better and
more economical to finish the investigation
