PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

I have the honour to report for the information of Government that Accountant T. Kondayya Chetti whose services were lent to the Travancore Durbar for a term of 5 years under G.O. No. 832, Political, dated 3rd December 1896, was ~~then~~ recently suspended by the Chief Engineer of the State under whose orders he was placed by the Durbar on certain charges of alleged insubordination and neglect of duty. So far as I can judge, the Chief Engineer was not empowered to suspend a British officer lent to Travancore, but the suspension order was nevertheless issued by him without an enquiry, though the charges would, even if proven, hardly call for such a punishment. The Durbar had, before referring to me in the matter, cancelled this order, but it considers that after what has occurred, it is not expedient to keep the Accountant any longer working under the Chief Engineer, and as his services are not required in any other Department of the State, it desires me to arrange for his retransfer to the Madras Public Works Department. I agree with the Diwan in the conclusions arrived at by him, and hope Government will be pleased to take the Accountant back at once as just now the Darbar is paying him his full pay for nothing.

O R D E R :- No.446, dated 2nd July 1898.

The Resident will be requested to arrange for the return of the Accountant at an early date and to furnish Government with a copy of the correspondence relating to the complaint against him.
