Estimates for constructing — from Lingamdinne to Laksmipalle hamlet and from Alavakonda to Timmanayanipet *via* Perusomala in the Kurnool district, sanctioned under 33. Famine Relief.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

READ—the following paper:—

From Lieutenant-Colonel W. L. C. BADDELEY, R.E., Superintending Engineer, III Circle, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 28th June 1898, No. 1041 W.

I have the honour to submit for sanction of Government two estimates for constructing the following roads in Koilkuntla taluk, Kurnool district:—

	RS.
1. Road from Lingamdinne to Laksmipalle, hamlet of Peddaventorla, 5 miles	13,750
2. Road from Alavakonda to Timmanayanipet via Perusomala, 11 miles	30,250
Total	44,000

2. These estimates are to be kept in reserve for any future famine.

3. An extract from the proceedings of the District Board meeting held on 25th May 1898 approving these estimates is enclosed.

Note by the Chief Engineer, Public Works Department.

The estimates prepared by the district board are only rough approximations. The country traversed is, however, nearly flat, and one mile is so like another, that the estimates submitted are quite near enough for famine relief purposes. The estimates are therefore recommended for sanction.

8th July 1898.

(Signed) W. B. DEWINTON,
Chief Engineer.

ORDER—No. 1819 W., dated 19th July 1898.
