READ—the following papers :—

From W. C. DEMORGAN, Esq., M.I.C.E., Executive Engineer in charge, I Circle, to the Chief Engineer, Public Works Department, dated Waltair, 4th May 1898, No. 286 G.D.

I have the honour to submit herewith a proposition statement for the entertainment of a permanent clerk, 5th class, 1st grade for the Delta Sub-division of the Gódávari Eastern division in place of the present temporary clerk's post of Rs. 15 which has been sanctioned year by year for a long time. This temporary post has been also included in the proposition statement of temporary establishment for 1898-99, submitted with my letter No. 41 G.L. of 14th April 1898, but it need not be sanctioned in the event of sanction to permanent clerk being accorded.

2. It is difficult to obtain experienced and qualified men for temporary posts.

3. The Delta Sub-division officer reports that the following work which was formerly performed in the Division office is now thrown on to his office :—

Preparation of work abstracts.
Payment of salaries, permanent establishment.
Final check of measurement books.

He is satisfied that the business of his office will not be efficiently transacted without the services of two permanent clerks. Both the Executive Engineer and I agree with him.

4. I may point out that both the Delta Sub-divisions of the Gódávari Western division, in which the work is hardly so heavy as that of the Eastern Division Delta Sub-division and Cocanada town works, have been allowed permanent assistant clerks.

5. On these grounds, I have the honour to request that sanction of Government may be accorded.

6. Details of permanent and temporary establishments employed in the division are not given in the present statement as the same have been supplied in the one submitted with this office No. 881 G.D., dated 24th July 1897.

The column "As per present scale" has been duly verified, corrected where necessary, and the proposition statement is herewith returned with the requisite certificate together with a detailed statement drawn up in this office showing how the corrected figure in the second item of the statement has been arrived at.

2. I would also point out that the Government orders sanctioning the entertainment of the present establishment should have been quoted by the Executive Engineer in the authority column and not the budget estimate, as the latter is only an authorized programme of expenditure proposed on duly sanctioned objects.

statement for the entertainment of a per. manent clerk on Rs 15-20 for the Delta Sub division of the Godavari Eastern division in the place of the temporary clerk on Rs 15 sanctioned in G.O. No 1570W, dated 23rd June 1898 this temporary clerk's post has been sanctioned for a number of years. The reasons adduced by the S.E for making it permanent are as follows:-

1. It is difficult to obtain experienced and qualified men for temporary posts.

2. The preparation of work abstracts, payment of salaries for Permanent Establishment and final check of measurement books, which were formerly performed in the division office, are now thrown on to the sub division office. Both the Executive and Supdg Engineers are of opinion that the business of the latter office cannot be efficiently transacted without the services of 2 permanent clerks.

3. Both the Delta sub divisions of the Godavari Western division in which work is not so heavy as that of the Delta Sub division of the Eastern division and of the Kovvada Down Works, have been allowed permanent assistant clerks on Rs 15-20.

It is therefore proposed to sanction the application. A.H 13-7-98. work in Delta subdivisions is heavier than elsewhere, the Godavari Eastern Div. being one of the heaviest
