was asked to furnish the requisite explanation, vide Memo No 2378c, dated 4th May, 1898. The work to be done by each member of the establishment is given in the report flagged B. The S.E. states that it will be sufficient if the extra establishment applied for be sanctioned for 6 months, as 3 months of the official year have already elapsed, and there cannot be much work ^{done} during the monsoon - the necessary notes have been entered in the prop. statement.

CR
AOK
12.7.98.

P.K.S.

I consider the establishment applied for to be necessary, & the pay less to be higher than usual to compensate for the inaccessibility & unhealthiness of the locality.

Memorandum

With reference to
endorsement from the Suptg
Engr IV circle No 185W dated
28th March 1898, submitting for
sanction of Government a proposition
statement for temporary establish-
ment required under Mr Loan
during 1898-99, the undersigned

has the honour to request that the
Suptg Engineer will be so good as
to submit a statement of work to
be done by each member of the
establishment applied for. It is

Considered that one clerk ~~will~~ shall
be sufficient for Mr Loan's office
work.

W
An extra clerk for
my loan has been
included in the state-
ment, without any refer-
ence as to increase of
wages &c. This may well
probably want to know
why. The auditor might
be 3 miles from the
colle where up
H. S. Comptroller
man is there for

Report to accompany Estimate for temporary
establishment on the Acquaintance not charged
to works.

Two temporary clerks have been provided for the Office in Charge.

the Officer in Charge.
One will do the Cash Book and keep tools -
account. One to accompany the Officer in Camp^a
to keep bazaar accounts and help with the
tools. One man has hardly been able to do
it this last year and next year operations
will be on a larger scale whether large Contracts
or piecework are employed the establishment
and Casual Coolies have to be supplied.
6 Lassies are allowed for survey operations
will continue towards Mount Steward from -
Sirukundur.

One clerk to each Supervisor is allowed for office work and tools accounts & Cash accounts delay Supervisors in doors when they should be out. A large Contractor will employ the same small gangs that the Department now employ and immense amount of Supervision will be necessary and Supervisors will have more travelling than now to make outwork and supervise as each small gang will keep to its own section as at present.

Keep to its own section and
2 Lascars each to the Supervisors are provided
on account of the distance to be sent
for money and Govt Stores from Combotow
etc One man would not be sufficient one
is always required on the work with the
Supervisor.

5. Tappab men are allowed to carry tappab from Anamalley to Sirkunder. This gives ^{delay} 2 days only to Sirkunder and is necessary to keep in touch with Correspondence.

of

The Chief Engineer
P. W. Department.

Sir,

Encl: 2.
1 Estimate
1 Report.

With reference to your Memo-
randum No 2378 C dated 4th May 1898,
I have the honor to submit herewith
an estimate amounting to Rs 2826 with
a report explaining the necessity for
the temporary establishment required
under Mr. Loan during 1898-99, for
which a proposition statement was
submitted for sanction of Government
in this office No 185 W dated 28th March
1898.

As 3 months of this official year
have already passed, and there
cannot be much work during the
monsoon

8579255

monsoon, it would I think be sufficient
if the extra establishment applied
for were sanctioned for 6 months
only.

I have the honor to be
Sir
Your most ob^d serv^t
