READ—the following paper:—

From O. C. LEES, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Miscellaneous), to the Secretary to the Government of Madras, Public Works Department (General Branch), dated Simla, 6th May 1898, No. 148-M.

It having been brought to the notice of the Government of India that there is considerable variation in the endowment fees for the maintenance and repairs of tombs of a similar kind in different places, I am directed, with reference to Rule XX, Note (3), Appendix K, Part I, Public Works Department Code, Volume I, to point out the desirability of keeping such charges for tombs of the same class as uniform as possible, and to suggest that explanations may be obtained in all cases in which they are found to vary largely.
