Note
These tents appear to have been purchased last year for use on Famine Relief works, and are obviously included in the list of tents which the S.E. reported to be available for transfer, vide memo No 2248C dated 25th April 1898.
In memo No 2228C, dated 23rd April 1898, the Suptg Engineer was directed to transfer 3 necessary tents from the Bellary division and report the registered numbers which he has not yet communicated. The purchase of the tents not having been sanctioned, they cannot bear any registered numbers. It is therefore proposed to ask the S.E. to report whether the tents included in the estimate are the same as those ordered to be transferred to the South Arcot do. If it is the case, the registered numbers of the tents should be communicated to the S.E. Engr. South Arcot division also. The numbers quoted in the estimate are those given by the Supt. Central Jail, Bellary, from whom they were purchased.
APV The tents were supplied by the S.E. to the Supt. Central Jail, Bellary, for use in Famine Relief works.
