ORDER. No 1949474.8.8

H. E. the Governor in Council has no objection to Mr. Carless' leave being extended to the full amount admissible to him. He applies for an extension of one and a half months, but the Examiner reports that he can be granted ^{any extension of} ~~further~~ leave on medical certificate, on half average salary, for a period of only one month and five days.

2. It will rest with Mr. Carless to obtain the Secretary of State's sanction to the extension under article 268(a) Civil Service Regulations.

3. Under the provisions of Section III, Chapter XXIX, Civil Service Regulations, Mr. Carless is permitted to retire from the

service on the termination of his leave. The Examiner will submit the necessary pension application in due course.

Note. Mr. Carless makes this application because his half pay when in full strength amounts to more than the pension to which he is entitled. There is no objection to it under the rules.
