Note. Two watchmen have already been sanctioned in G.O. No 1202W, dated 12th May, 1898, to look after the vacant European Infantry buildings at Cannanore. The S.E. reports that, during the months of April, May and June, 1898, 7 buildings have been vacated by the Middlesex regiment and the Revenue department, and that they are far away from each other, so that the services of an additional watchman are absolutely necessary to prevent wayfaring and stray cattle trespassing and fires being kindled.
