PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

Proceedings of the Public Works Department, No. 2027 W,
dated 27th July 1897, communicating correspondence in respect of
whether the machinery at Trichinopoly will be required for certain
water supply schemes newly sanctioned and ordering that the No. 8
Pulsometer be forwarded to Chandragiri, N. Arcot District, for the
Tirupati water works, if in good order.

Letter from the Chairman, Municipal Council, Trichinopoly,
No. 29, dated 5th August 1897, requesting that the Government will
be pleased to issue orders for the speedy disposal of the machinery
removed to the Government Stores Madras and for the sale proceeds
being credited to the Municipal funds.

Memo. from the Public Works Department No. 4425 C, dated 29th October 1897, stating with remarks the approximate valuation of the machinery from Trichinopoly with reference to Memo. No. 866 L & M dated 13th August 1897.

Order No. 2840 M.Mis., dated 18th December 1897.

The Municipal Council of Trichinopoly is requested to state whether it is prepared to part with the machinery in question or at least one of the No. 8 Pulsometer Pumps and a 12 H. P. Boiler for the price fixed by the Public Works Department in paragraph 1 of its memorandum read above or how it proposes to dispose otherwise of the machinery.

2. In paragraph 5 of his letter No. 1559 dated 19th May 1, disposed of in G.O. No. 1731 M, dated 10th October 1896, Mr. Jones estimated the value of the Trichinopoly water works machinery at Rs 13,387; but the Public Works Department now fixes it

at at Rs 5,700. The Sanitary Engineer is requested to explain the great difference between these two valuations and to state why the several pieces of machinery are described in the memorandum of the Public Works Department as incomplete, and whether the missing parts, if any, have not been sent to the Public Works Stores.
