Note

In Co. No 635 w dated 5th Ma
189

1897 the entertainment, for a period of 6 months of 1 surveyor on Rs 65 and 6 lascars on Rs 7 each per mensem was sanctioned for the preparation of an estimate for a road from Karemudi to Macherla in the Kistna Northern Division. The Suptg. Engineer now submits a revised statement raising the pay of the surveyor to Rs 80 and that of the lascars to Rs $7\frac{1}{2}$ and reducing the period from 6 to 4 months and the number of lascars from 6 to 5.

2. It is reported that the increased rates of pay now proposed are indispensably necessary and that as the surveyor on Rs 80 employed on the Koryur and Lopayya tanks was put on the present work, his pay could not well be reduced, his work having been thoroughly satisfactory. There will, however, be a saving of Rs 172 by the reduction of the period and of the number of lascars.

3. In consideration of the difficulty experienced in obtaining the services of qualified and reliable surveyors it is recommended that the Suptg. Engineer's proposals may be sanctioned.
