Secretary to Government,

Local & Municipal Department,

Sir,

We have the honor to enquire whether the Madras Central Museum, Connemara Library, and Victoria Technical Institute are insured against fire, and if not, whether Government will consider the advisability of covering this risk which could be done at a small premium.

The Royal Insurance Company which we represent is the largest Company in the world with a Capital of over £ 9,000,000 and would be prepared to insure the buildings referred to, with or without contents, for any sum representing their approximate value at the following rates of premium.

Museum & Library 3 as. per cent per annum. (3/16 %)

Technical Institute & Theatre, 12 as. per cent per annum. (3/4 %)
