In the proposition statement received with his letter No 102W, dated 19th February, 1898, the S.E. entered Rs 45 as pay for the sub division clerk, and explained that, owing to expensiveness of the place ^{to induce a competent clerk to accept the appointment} the proposed pay was necessary. He also represented that one of the permanent clerks on Rs 30 in the division office should be sent to

the sub division with a local allowance of Rs 15 per mensem. The Examined P.W. Accts, pointed out that the proposal to grant a local allowance of Rs 15, would require the sanction of the Government of India, and suggested that the question might be brought forward separately. The temporary establishment required for Ernad road works, was accordingly sanctioned with the exception of the sub division clerk. vide G.O. No 875 W, dated 31st March 1898. With his letter No 305 W, dated 10th June 1898, the S.E. submitted a fresh proposition statement for a clerk on Rs 30 for the Ernad sub division. As this clashed with his previous proposition statement, the S.E. was asked to explain the discrepancy. vide Memo No 2929c, dated 20th June, 1898. He now states that, as the sanction of the Govt. of India is necessary to the grant of local allowance, it is proposed to employ a clerk on Rs 30 for the sub division. He adds that there will not be much work done during the rainy season and that a revised proposal will, if necessary, be submitted later on.
