NOTE BY TECHNICAL SECTION.

Name of work Improvements to Diver's and Salvage rooms at the Port Office, Madras.
Amount of Estimate Rs 632.

With reference to this office memo No. 4944 C dated 23.12.1897, the Consulting Architect to Govt. submits the estimate together with a comparative statement, for improving the Diver's & Salvage rooms at the Port Office at Madras.

The excess of Rs 135 or 21.6% over the original sanction of Rs 497 is due to the following causes:

As per	(a) Error in original estimate	Rs 64.
5/1	(b) Items subsequently added for	Rs 40.
5/1	(c) Other petty items	Rs 5.
5/1	(d) Contingencies & petty expenses	Rs 26.
	Total excess	Rs 135

* The total of Contingencies & petty expenses in the Revised Est. is 7% of the whole amount. In the original Est. it was under 4% which was too little to allow for.

Item (a) is due to an error in measurement in the original estimate for providing a new window with iron bars including fixing in wall subsequently asked for by the Dept. Com. of Govt. The estimate is in order.
