Sir,

The Examiner, P. W. Accounts having, with reference to note 2 to P. W. Form No. 67, forwarded to Mr. C. T. Mullings, Assistant Engineer 3rd grade, the first page of his record of service for counter-signature and return, that officer stated that his service for pension counted from the 1st September 1895

not from the 1st October 1895, as entered in the record of Service. It was pointed out to him that his letter of appointment (copy of which was received with your letter No. 3142 G, dated 27th November 1895) distinctly notified that his service for pension commenced on the 1st October 1895, but he contends that the authorised prospectus of the R.I.E. College, Coopers Hill, on which he entered the college, contains the following paragraph (Rule 33 p. 15) "The time spent on the practical course will count as service towards pension"; that his practical course, in common with that of all other passed Coopers Hill Students began on the 1st September; and that the date entered in the letter of appointment is therefore wrong and should be corrected.

2. I am directed to submit this matter to the Government of India, and to request that definite orders may be issued as to the date

who joined the College under the same Prospectus

date from which the service for pension of Mr. Mullings and other Coopers Hill Engineers should be reckoned.

Mr. C. T. Mullings Assistant Engineer. Pointing out that he contends that his service for pension counts from 1st Septr 95 and that the matter should be referred to the Secretary of State through the Govt. of India.

OFFICE NOTE No. 798 P/E

To

Agreeably to Note 2 to P.W.Depart-
ment Form No 67, the first page of the
Record of Service of Mr C.T.Mullings
Assistant Engineer 3rd grade was sent t
him for countersignature and return. In
reply, that officer stated that his serv
for pension counted from Ist September
I895 and not from Ist October I895 as
entered in the "Record of Service". It
was pointed out to him that his letter
of appointment (vide enclosure to G.O.
3202 W dated I4th December I895) show
his service for pension as having com-
menced from Ist October I895 as correc
entered in his "Record of Service". Hi
further reply in original is sent for
persual and return.

2 If, as contended by Mr Mullings, h
service counts from Ist September I895
the matter will apparently have to be
ferred to the Secretary of State thro
the Government of India.
