Read—the following papers:—

From G. S. T. HARRIS, Esq., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepâk, 3rd June 1898, No. 673.

I have the honour to report that I have put in hand all the works at the Lunatic Asylum for which funds have been provided in the Provincial Budget Estimate and anticipate savings. As probably the most essential work in connection with the asylum is the kitchen, I ask leave to proceed with it at once, keeping within the total grant for the asylum. The revised plan and estimate for the kitchen was submitted through the Medical Department with this office No. 598, dated 26th May 1898.

As there is necessarily some inconvenience caused by the works in progress, it is as well to mitigate it by carrying through the works rapidly and at the same time.

No. 490 D.

Referred to the Public Department, for orders as to whether the construction of the kitchen may be proceeded with. In letter No. 598, dated 26th May 1898, the Consulting Architect reported that the revised plan and estimate for this work had been forwarded to the Surgeon-General for submission to Government, but the documents have not yet been transferred to this department.

17th June 1898.

(Signed) W. B. DEWINTON,
Secretary to Government.

From the Surgeon-General, Madras, dated 4th July 1898, No. T./259.

I have the honour to forward herewith for submission to Government the revised plan and estimate called for in your Memorandum, dated 27th June 1898, No. 1414.

Order—No. 923, Public, dated 16th July 1898.

Approved and transferred to the Public Works Department.

(True Extract.)

(Signed) A. S. RUSSELL,
for Chief Secretary.

ORDER—No. 2039 W., dated 11th August 1898.

The estimate, amounting to Rs. 4,600, for alterations to the existing kitchen, and constructing a new kitchen with circular cooking range, at the Lunatic Asylum, Madras, is sanctioned for immediate execution, as supplemental to the estimates, aggregating Rs. 25,554, sanctioned in G.O., No. 3467 W., dated 8th December 1896.

2. An allotment of Rs. 25,318 has been made in the budget for the execution of the works approved in the Government Order quoted above. The Consulting Architect reports that the expenditure on the present estimate can be met from the savings anticipated in the above provision.

3. The sanction accorded in paragraph 1 has been registered as Provincial No. 50 W. of 1898-99, and classified as Civil Buildings—Original Works.
