ORDER.

No 2044 W D 12-8-98

In consequence of the return to the service of this Govt. of M. D. Dy. J. Kondiah Chetty, Accountant, 5th grade, who was lent to the Travancore Durbar for a period of 5 years, certain reversions are necessary in the Subordinate Accounts Branch. The Examiner of Public Works Accounts recommends that the accountants who received permanent promotions may be allowed to retain them in consideration of the facts that Kondiah Chetty has returned long before the expiry of the 5 years, and that promotions in the Accounts Branch are very slow. His Excellency the Governor-in-Council considers that it is against the spirit of the rules to retain permanent promotions when

when there are no vacancies and
regrets therefore that the Examiner's
recommendation cannot be accepted.
Statement A submitted by the
Examiner is accordingly approved,
but it should be revised as it
does not provide for the reversion
of a permanent Accountant 5th
grade, who will be replaced by
Kondiah Chetty.

Note. There is no information in
this office as to the particular accountants
5th grade who will have to
revert to temporary rank of that
grade in consequence of the return of
Kondiah Chetty.

12/8/96

The services of Mr. R. A. J. Kondiah
Chetty, Accountant 5th grade, on the
Madras List were transferred to the
Travancore Durbar for a period of
five years vide G.O. 832, Political,
dated 3rd December 1896 and the
Examiner was authorised under
Article 109 and note of the G.S. Regula-
tions to fill substantially the vacancy
caused by the transfer vide G.O. 311 W
dated 3rd February 1897. In G.O. 446,
Political, dated 2nd July 1898 the retransfer
of the Accountant to the service of
this Government was approved. This

retransfer has necessitated
reversions in the Subordinate
Branch.

2. The Examiner remarks that
under Article 109 of the G.S. Regulations
the Government has the right to
reverse the permanent arrangements
made in Kondiah Chetty's case
on his reversion to his original
appointment, and inquires whether
it is the intention of Government
to do so in the present case. The
Examiner however, recommends
that the accountants who received
permanent promotions be allowed
to retain them on the ground that
Kondiah Chetty has returned long before
the expiry of his 5 years and that
promotions on the Subordinate Accounts
Branch are slow. He submits for the
orders of Govt. two statements marked
A and B. Statement A provides for
the reversion of accountants who receive
permanent promotions in case the
Government decides that this should
be done, and Statement B for the
reversion of temporary promotions
only, allowing

to who receive permanent

permanent promotions to retain

Statement B cannot be accepted
as it is certainly against the spirit
of the rules to retain permanent
promotions when there are no vacancies,
and it is therefore proposed to
sanction Statement A.

G.O.No.1761 W dated 11th July 1898

Owing to M.R.Ry T Condiah Chettys return to Government service certain re-versions in the Subordinate accounts - Branch are necessary-

2. Under Civil Service Regulations Article 109 the Government has the right to reverse the permanent arrangements made in Condiah Chetty's case on his reversion to his original appointment, and I would enquire whether it is the intention of Government to do so in the present case-

3. As T. Condiah Chetty was transferred for a period of 5 years (vide G.O.No.97 W dated 9th January 1897) - and as his return to Government service so long before the expiry of that period was ^{not} contemplated, I would strongly recommend that the Accountants that have re-

received permanent promotions be allowed
to retain them, especially as the pro-
motions in the Subordinate Accounts -
Branch are slow as a rule, and ~
~ the excess on the permanent list in
each grade be absorbed on the occurrence
of the first vacancy- This I understand
has been allowed in previous cases of
return of Accountants from foreign service.

4. I, however, submit 2 statements
marked A and B, (the former including -
the reversion of permanent Accountants) (* if Government deem it necessary
for orders of Government as to which set to make them)
of reversions should be carried out.
