Memo.

With his letter No 1142, dated 9th July 1898, the Supt of Works, Light house division, submits, for sanction, an estimate of Rs 704 under Tools and Plant, Provincial, for 2 cement testing machines received from England.

In para 3 of his letter printed with G.O No 1789 W, dated 2nd July, 1897, that officer stated that the machines were required for testing mortars during the construction of light-houses. He ^{is requested to} now report whether the cost should not be debited to Excluded Local Port funds, with reference to the orders conveyed in G.Os Nos 792 W and 958 W, dated 23rd March and 7th April, 1898 respectively.

Note. The machines were obtained by

by indent on the Home Government,
for use in the Light house division.
It has been ordered that the entire
cost of tools and plant in the
Light house division should be
charged to Excluded Local Port funds.
vide G.O. nos 792 W and 958 W dated
23rd March and 7th April, 1898 res-
pectively. It is therefore submitted
that the estimate should be debited
to Port funds, and if, after the
completion of lighthouse works, the
machines are in a fit condition for
use, they may be transferred to the
stores and the value they may then
fetch, credited to Port funds.
