ABSTRACT.—Furnishing the Government of India with copies of certain correspondence with the Accountant-General on the subject of the tentage allowance of Forest Settlement-officers; and communicating to the departments of the Secretariat the request of that Government that a copy of the papers should invariably accompany references relating to objections taken by the Audit department.

Resolution of the Government of India, Finance and Commerce Department (Pay and Allowances—Travelling Allowance), dated Simla, 9th July 1898, No. 3009-S.R.

From time to time Local Governments and Administrations refer, for the orders of the Government of India, cases in which officers of the Account Department, in pursuance of their duty, raise objections to proceedings or to expenditure as not being within the powers of sanction of the local authorities. To prevent misunderstandings which occasionally arise in the discussion of such matters the Governor-General in Council desires that in future such references should invariably be accompanied by a copy of the Account Officer's objection and of any further explanations he may have given in connection with it.

Ordered that a copy of this Resolution be forwarded to the several Local Governments and Administrations, the other departments of the Government of India, and to all Accountants-General and Comptrollers for information.

Under Secy. to the Govt. of India.
