From the Honourable Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 9th August 1898, No. 8830.

I have the honour to request that you will be good enough to obtain the sanction of Government for dismantling the tiled verandah of the old Taluk Cutcherry building at Mangalore, which is at right angles to the school-house recently built to accommodate the Government Training School. It is very old and unsightly and its materials are rotten, and hence it mars the appearance of the new school building.

2. The Executive Engineer, West Coast division, concurs with me in thinking that this old structure should be dismantled.

Transferred to the Public Works Department, with the remark that this department has no objection to the dismantling of the verandah.
