Communicated to the Examiner of P.W. Accounts.

2. Adverting to the remarks in the Financial Dept that the revised estimates for the current year will, unlike refce to Go No 883 Financial, dated 2nd November 1897, be placed at the same amount as the budget estimate viz 18.41, the attention of that Department is invited to para 2 of Go No 80 W dated 14th January 1898, from which it will be seen that the sanctioned grant for the year is 18.71. As this grant is already too small, and as the officers of the Department would have, under the new arrangement of works programme, arranged their programmes according to their allotments, the revised estimate cannot

cannot be placed at less than the sanctioned grant.
