Police Station at Mathur

Transferring two of the three unoccupied rooms in the — in the Krishnagiri taluk, Salem district, to the Taluk Board, Hosúr, for use as a choultry, and the third to the Revenue Department for the use of the local village munsif.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads. Civil Works.

Read—the following papers:—

From A. H. GARRETT, Esq., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 21st June 1898, No. 330/W.

I have the honour to enclose a rough ground plan of the building known as the "Police station, Mathur," No. 10 in the register of buildings, Krishnagiri taluk, Salem district.

2. In August 1897 the Collector of Salem asked that the two unoccupied rooms in this building might be transferred to the Taluk Board, Hosúr, for use as a choultry; and that the verandah might be transferred to the Revenue Department for the use of the local village munsif. It should be observed that the territorial jurisdiction of the Hosúr Taluk Board extends over the Revenue taluks of Hosúr, Krishnagiri and Dharmapuri.

3. In October 1897 the Executive Engineer, Salem, was asked to submit a ground plan of the building. This has just been received and the Executive Engineer reports that he has ascertained from the District Superintendent of the Police that the unoccupied portion of the building is not required by his department.

4. In these circumstances, I request that the proposed transfer may be sanctioned by Government.

P.S.—So long a time has elapsed since the Collector first applied for the two rooms and verandah, that I thought it advisable to enquire whether he still required them. He has replied in the affirmative.

Referred to the Inspector-General of Police for remarks.

for Chief Secretary to Government.

From M. HAMMICK, Esq., I.C.S., Inspector-General of Police, to the Chief Secretary to Government, Ootacamund, dated Madras, 3rd August 1898, No. 2993.

In returning the papers relating to the station-house building at Mathur in the Salem district, received with your endorsement, No. 1422, dated 5th July 1898, I have the honour to state that there is no objection to the proposed transfer of the portions marked "unoccupied" in the sketch. The verandah is the only entrance to the police station and the prisoners' room, and the Superintendent of Police informs me that the portion required by the Revenue Department is the room marked "unoccupied" adjoining the prisoners' room, and not the verandah which should remain with the Police.

Order—No. 2152 W., dated 24th August 1898.

The police station at Mathur in the Krishnagiri taluk, Salem district, contains three unoccupied rooms and a verandah, and the Superintending Engineer, IV Circle, recommends that two of the rooms be transferred to the Taluk Board, Hosúr, for use as a choultry, and the verandah to the Revenue Department for the use of the local village munsif.

2. The Inspector-General of Police, to whom the proposal was referred for remarks, reports that the Revenue Department requires the unoccupied room adjoining the prisoners' room, and not the verandah which should remain with the Police, and that there is no objection to the transfer of the three unoccupied rooms. Two of the rooms will accordingly be transferred to the Taluk Board, Hosúr, and the third to the Revenue Department for the use of the local village munsif.

P. W. C. No. 5305, with draft order received for counter-initials.

The intention of the draft order is not clear but apparently it is proposed to sanction the proposals of the Suptg Engineer, IV Circle, to transfer to the Taluk Board, Hosur, two of the unoccupied rooms in the Police station building, Mathur, Kistnagiri taluk, Salem District, and the verandah to the Revenue Department- the former for use as a choultry and the latter for the use of the local village munsiff. This proposed transfer is stated by the S.E., to be in compliance with the request of the Collector. The Inspector-General of Police has no objection to the tranfer of the three rooms shown as unoccupied in the sketch accompanying the Suptg. Engr's letter and he reports that the Supt. of Police informs him that it is one of these rooms and not the verandah that is "required by the Revenue Dept."

The Inspector-General further reports that the verandah is not available as it is the only entrance to the station.

If the draft order means to sanction the transfer of ~~his~~ the three rooms and not of the verandah, this should, I submit, be made clear.
