READ—the following papers :—

From C. W. WOOD, Esq., Executive Engineer, West Coast Division, to the Superintending Engineer, IV Circle, dated Calicut, 16th June 1898, No. 307 S.E.

I have the honour to bring to your notice that the building known as Pandeshwar cutcherry at Mangalore (register No. 3*), which was occupied by No. IV Party of the Madras Revenue Survey, was vacated and intimation of the same was given to me by the Collector of South Canara in February 1898. At the same time the Deputy Commissioner of Revenue Settlement, No. II Party, now at Mangalore applied for a certificate of rent for a private building occupied as his office at the same station, and I informed the Deputy Commissioner that the Pandeshwar cutcherry might be occupied by him instead of renting a private building and made arrangements to hand over the building to that officer.

* Provincial Register of buildings, Mangalore taluk.

2. The Deputy Commissioner complained of the unsuitability and insufficient accommodation of the Pandeshwar cutcherry, which was also supported by the Subdivision officer, Mangalore, and did not occupy the building.

3. Subsequently, however, the Assistant Commissioner of Salt and Abkári Revenue applied for the building being made over to him for accommodating the office of the Salt Inspector, Mangalore Circle, and requested me to carry out the necessary repairs. The estimate for putting the building in good order amounts to Rs. 600, and I therefore consider that under Code, Vol. II, chapter III, paragraph 124 (2), the cost of repairs must be met from Imperial funds. Under these circumstances, I request that formal sanction of Government may be obtained for the transfer of the building to Salt and Abkári Department, and if you agree with me as regards the incidence of the cost of repairs, I request that an allotment of Rs. 600 under 45. Civil Works, Imperial—Salt may also be obtained.

4. As the repairs are urgent, I request permission to proceed with the work in anticipation of sanction to the estimate which has been sent to the Deputy Commissioner of Salt and Abkári Revenue for countersignature.

No. 329/W.

Copy submitted to the Chief Engineer, Public Works Department, for favour of orders regarding the transfer of the building to the Salt Department. The Executive Engineer has been ordered not to put the work in hand till it is known whether funds are available under "Salt."

21st June 1898.

(Signed) A. H. GARRETT,
Supg. Engineer, IV Circle.

No. 3002 C.

Referred to the Revenue Department, for favour of information as to whether the proposal to transfer the building to the Salt and Abkári Department is approved.

(Signed) A. S. RUSSELL,
30th June 1898. Under Secretary to Government.

Proceedings of the Board of Revenue (Separate Revenue), dated 29th July 1898, Mis. No. 2987.

Read—endorsement of Government, Revenue Department, Mis. No. 2828, dated 5th July 1898.

Resolution—Mis. No. 2987, dated 29th July 1898.

With reference to the endorsement read above, the Board begs to state that the building under reference which was reported by the Executive Engineer to be available for occupation has already been occupied by the Inspector, Mangalore Circle, under the permission of the Commissioner who, during his recent tour in the South Canara district, found the building then used unsuitable. It accordingly requests that formal orders may be issued for the transfer of the building to the Salt, Abkári and Customs Department.

2. The repairs will be executed by this department after the building is formally transferred.

(True Extract.)

(Signed) R. M. THURLEY,
Acting Assistant Secretary.

Mis. No. 3267, Revenue.

Transferred to the Public Works Department, with the remark that the transfer of the building to the Salt, Abkári and Customs Department is approved.

(By order.)

Ootacamund,
6th August 1898.
(Signed) N. E. MARJORIBANKS,
Ag. Under Secretary to Govt.

ORDER—No. 2201 W., dated 30th August 1898.

The transfer is sanctioned.

2. The Superintending Engineer will observe that the repairs to the building will be carried out by the Salt, Abkári and Customs Department, and that an allotment of funds in the Public Works Department is not necessary.

(True Extract.)

Under Secretary to Government.

To the Superintending Engineer, IV Circle.

Dept. a building at Mangalore known as the "Pandeshwar Cutchery" which had been vacated by the Madras Survey Dept. He states that the building required repairs to the extent of Rs 600, and asked for an allotment of that amount under Imperial - Civil Works.

The matter was referred to the Revenue Dept. for approval to the transfer, & the Separate Revenue Dept. of the Rev. Board now reports that the building has already been occupied by the Salt Dept.; also that the repairs will be carried out by the Salt Dept., on formal sanction being given to the transfer - an allotment of funds in the P.W. Dept. is thus unnecessary.

The transfer has been approved in the Rev. Dept., & it is proposed now to give formal sanction —
