Read—the following papers :—

From C. W. WOOD, Esq., Executive Engineer, West Coast Division, to the Superintending Engineer, IV Circle, dated Calicut, 4th July 1898, No. 350 S.E.

I have the honour to submit, herewith, two proposition statements for the appointment of one temporary peon on Rs. 6 and two watchmen on Rs. 5 each per mensem, and for obtaining necessary sanction of Government.

2. The peon is intended for Sub-Conductor Walden, Barrack Sergeant at Cannanore, and the watchmen for watching the store and godown where hospital and barrack furniture are kept at Cannanore.

3. The Examiner, Public Works Accounts, has pointed out that any office and petty establishment required for Sub-Conductor Walden should be sanctioned by Government.

trol of the Quartermaster-General's Department. The existing executive establishments of the three departments are stated to be as follows :—

Command.	Barrack-master, 1st class.	Barrack-master, 2nd class.	Barrack-master, 3rd class.	Assistant Barrack-masters and Barrack-sergeants.
Bengal	6	5	..	53
Bombay	6	3	6	7
Madras	5	1	..	24
Total ..	17	9	6	84

3. It is recommended—

(i) that the three departments should be amalgamated, and that the amalgamated department should consist of 22 Barrack-masters, 16 Assistant Barrack-masters and 70 Barrack-sergeants ;

(ii) that there should be two classes of Barrack-masters, viz., Barrack-masters, 1st class, and Barrack-masters, 2nd class, and that each class should consist of eleven men ; and

(iii) that the establishment proposed in (i) should be distributed as follows :—

Command.	Barrack-masters, 1st class.	Barrack-masters, 2nd class.	Assistant Barrack-masters and Barrack-sergeants.
Punjab Bengal	6	5	50
Madras	3	3	24
Bombay	2	3	12
Total ..	11	11	86

4. Statements are submitted showing the cost of the present Barrack Department establishments in the three presidencies and that of the proposed amalgamated depart-
ent for all India, and it is shown that the proposed scheme will have the effect of
ɩcing the total number of Barrack-masters by ten, and of increasing the number
rack-sergeants by two, and that a saving of Rs. 29,317 *per annum* will be the
s shown below :—

	Present. Rs.	Proposed. Rs.
... ...	1,83,773	1,58,056
onal allowances	9,360	5,760
allowances	27,250	27,250
Total ...	2,20,383	1,91,066
Saving ...	29,317	

ges involved by this scheme are—

tark done under the Military Works Department,
ned establishment of that department under the
ment, and a corresponding diminution of the
eral's and Commissariat Departments with

(*b*) An increased charge against grant "44—Military Works," with
sponding relief to the Military estimates.

6. To enable the Military Works Department to undertake the increased wo
it is proposed to transfer to that department the Barrack Department establishme
now employed under the Madras military authorities. As regards this establishme
it is observed that out of six Barrack-masters and 24 Barrack-sergeants, two Barrack
masters and nine Barrack-sergeants are employed under the Public Works Departmen
in India and Burma, so that the establishment and work which it is proposed to
transfer to the Military Works Department are—

Establishment.

Four Barrack-masters.
Fifteen Barrack-sergeants.
Clerks, peons and chowkidars.

Work.

Manufacture and repair of barrack furniture.
Supply of boxes, kit, barracks.

7. With the view to safeguarding the interest of the members of the three departments when they are amalgamated, it is recommended that for the present, and until otherwise provided for, promotions should run on three separate lists.

8. In reply I am to state that the Government of India approve of the proposals set forth above for the formation of one Barrack Department for all India, and sanction the transfer of the Barrack Department duties in Madras to the Military Works Department, with effect from 1st April 1898.

9. With regard to the provision of funds in the Military Works estimates to meet the extra expenditure involved consequent on the transfer of the Barrack Department duties in Madras to the Military Works Department, I am to say that the Government of India desire to further consider the question of the amount required to be transferred from the Military to the Military Works estimates.

It is to be understood, however, that according to the intention of the Lieutenant-General Commanding the Forces, Madras, the following establishment should be absorbed after the re-organisation hereby sanctioned is effected, *viz.* :—

One second-class Barrack-master, Bellary.
Do. Barrack-sergeant, do.
Do. do. Bangalore.

10. The supply of timber for kit-boxes hitherto provided in the Madras C
by the Ordnance Department, will now be undertaken by the Military Wor
ment, as is the practice in other Commands ; and the Government of
the transfer of the following material from the Ordnance to the
Department :—

Boxes, soldiers' ... ...
Teak timber, Burma, log, cubic feet ... ...
One inch, square feet, planking .. ..
Half „ „ „ ... ...

11. In conclusion, I am to request that the
which these orders involve in India Army Reg
be carried out in those regulations.
