Letter—from

W. B. deWINTON, Esq.,
Acting Secretary to the Government of Madras,
Public Works Department,

To

The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

I am directed to state that, during the recent famine-relief operations in the Northern Circars and the Deccan districts of this Presidency, several officers of the Salt, Abkári and Customs Department were employed in the Revenue Department as Taluk-relief officers, Circle Inspectors, &c., while a number of such officers, as well as several Local Fund overseers, were temporarily transferred to the Public Works Department for employment on relief works in charge of this department, the available Public Works staff being insufficient for the purpose. In consideration of the additional work and responsibility, and the extra expenses thrown on the men so employed in the Revenue Department, this Government authorized the grant to them of the following additional emoluments :—

	Rs.
Inspectors	100 per mensem.
Assistant Inspectors	50 ,,
Sub-Inspectors	20 ,,

2. This Government considers that similar allowances should be granted to officers of the Salt, Abkári and Customs Department whose services were placed at the disposal of the Public Works Department, and that Local Fund overseers employed on relief works in the Public Works Department should be granted the extra Rs. 20 per mensem allowed to Sub-Inspectors of the Salt Department; but the Examiner is of opinion that, as the grant of these allowances is not covered by the rules in the Civil Service Regulations, the sanction of the Government of India to their admission in the Public Works Department is necessary. I am accordingly directed to request that such sanction may be given at an early date. A list showing the names of Salt and Local Fund officers employed on relief-works in the Public Works Department, the periods of their employment, their substantive pay, and the extra allowances proposed to be granted for relief duty, is forwarded herewith.

I have the honour to be,
Sir,
Your most obedient servant,

5. I desire particularly to draw attention to the last sentence in my office memorandum of 19th June, which runs —

"The men must all get good extra pay for their increased work and responsibilities."

It is necessary that officers on whom double duties and responsibilities are thrown should receive consideration for the same, and I expect the same to be granted with no stinted hand.

Read—telegram from the Deputy Commissioner, Northern Division, dated 8th July 1897.

Resolution—Mis. No. 2881, dated 8th July 1897.

2. The Famine Commissioner's attention will be invited to paragraph 5 of the Deputy Commissioner's letter read above, and he will be requested to consider whether any extra emoluments can be granted to the men placed at his disposal for famine duty. The Board would urge that a liberal allowance may be made, as they will have not only extra work and responsibility, but extra expenses to meet.

Resolution—Mis. No. 6154, dated 6th August 1897.

In paragraph 2 of his Proceedings read above, the Commissioner of the Salt, Abkári and Customs Departments asks whether any extra emoluments can be granted to the officers of his department deputed for famine duty. This is a matter for Government to decide, and the Famine Commissioner who heartily endorses what is said on this subject by the Commissioner and Deputy Commissioner, begs to suggest that the following allowances may be sanctioned for the various classes of officers.

2. Officers of the Separate Revenue Department are employed on famine duty as (1) Taluk-relief officers, (2) Overseers, (3) Circle-relief Inspectors.

For (1) Inspectors and the higher grades of Assistant Inspectors are taken ;
For (2) the lower grades of Assistant Inspectors and the upper grades of Sub-Inspectors ;
For (3) Sub-Inspectors.

The duties of a Taluk-relief officer are onerous and responsible, and the Famine Commissioner considers—whatever his grade—he should receive an allowance of Rs. 150 per mensem. Assistant and Sub-Inspectors working as Overseers should receive Rs. 50 per mensem and Sub-Inspectors as Circle-relief Inspectors, Rs. 20 per mensem ; the allowance to Sub-Inspectors should be exclusive of the travelling allowance recommended in Board's Proceedings, Mis. No. 4875, dated 3rd July 1897.

3. The Famine Commissioner is aware that these allowances will be, in many cases, in excess of the limit of 20 per cent. of salary fixed by article 98 of the Civil Service Regulations, but they are below the allowances which can be granted under article 101. The case of the Salt and Abkári Department officers is worthy of consideration ; for, though they may be not transferred from one Presidency to another, they are to be employed upon duties of an onerous, and, to them, unusual nature. It is for the latter reason that Military officers are assigned a higher rate of allowances, irrespective of whether they are transferred from their own Presidency or Province or not, and as Military officers likely to be working alongside Salt and Abkári Department officers on similar famine duties, it seems fair that the latter should be granted allowances, which more nearly approximate to those of article 101 than would be permissible under article 98.

(True Copy and Extract.)

(Signed) L. E. BUCKLEY,
Famine Secretary.

Order—Mis. No. 4426, Revenue, dated 24th August 1897.

The allowances proposed by the Famine Commissioner, especially that suggested for Taluk-relief officers, seem to be unnecessarily high. The Government desires to have the opinion of the Commissioner of Salt, Abkári and Separate Revenue on the point.

Ag. Secretary to Government.

Read—also Proceedings of the Board of Revenue (Separate Revenue), Mis. No. 3792, dated 31st August 1897.

ABSTRACT.—Communicating to Government the opinion of the Commissioner of Salt, Abkári and Separate Revenue in regard to the payment of extra allowances to Salt officers deputed on famine duty.

Order—No. 853, Revenue, dated 6th October 1897.

Miscellaneous.

The Government is of opinion that an addition of Rs. 100 per mensem to the salary will be sufficient in the case of Inspectors deputed as Taluk-relief officers, and that an increase of Rs. 50 may be allowed to Assistant Inspectors placed in charge of relief-works and of Rs. 20 to Sub-Inspectors appointed as Circle Inspectors, &c. The Government is also of opinion that similar increases should also be sanctioned in the case of officers of other departments placed on famine duty. The above decision will be given effect to by the creation of special appointments under section 30 of the Famine Code, and the Famine Commissioner is requested to submit a list of all officers not belonging to the Public Works Department or to the ordinary Revenue Administration in the affected districts, who have been placed on famine duty from time to time with the dates of their deputation (and of reversion, if they have already reverted) and the salaries drawn at the time of deputation.

2. Officers appointed to posts to which specific rates of pay have been sanctioned under section 40 need not be included in the list.

(True Extract.)

(Signed) G. STOKES,
Ag. Secretary to Government.

Resolution—Mis. No. 4507, dated 15th October 1897.

Communicated to the Deputy Commissioners, Northern and Central Divisions.

2. The Government order makes no mention of the Inspectors whose services have been placed at the disposal of the Department of Public Works. The Board presumes that they will draw the same allowances as other Inspectors who have been Taluk-relief officers. Government sanction will be requested for their allowances also.

Order—Mis. No. 5646, Revenue, dated 4th November 1897.

Recorded.

2. The Board's presumption in paragraph 2 of the proceedings is correct.

(Signed) N. E. MARJORIBANKS,
Ag. Under Secretary to Government.

" Superintending Engineer, III Circle, dated 3rd January 1898, No. 5332 W.

ORDER—No. 226 W., dated 27th January 1898.

These papers relate to the allowances to be granted to officers of the Salt and Abkári Department and to Local Fund overseers, whose services were placed at the disposal of the Public Works Department for famine-relief duty in the I and III Circles.

2. In G.O., No. 853, Revenue, dated 6th October 1897, the following extra allowances were authorized for officers of the Salt and Abkári Department, employed on relief duty in the Revenue Department:—

	Rs.
Inspectors	100 per mensem.
Assistant Inspectors	50 "
Sub-Inspectors	20 "

and in G.O., Mis. No. 5646, Revenue, dated 4th November 1897, it was decided that the same allowances might be drawn by Inspectors, &c., whose services were placed at the disposal of the Public Works Department. The Examiner, Public Works Accounts, however, is of opinion that, as the grant of these allowances is not covered by the rules in the Civil Service Regulations, the sanction of the Government of India to their admission in the Public Works Department is necessary. The Government considers that the allowance of Rs. 20 per mensem authorized * for Sub-Inspectors of the Salt and Abkári Department should be granted to Local Fund overseers employed on relief-works in the Public Works Department. A list of Salt and Local Fund officers so employed will be forwarded to the Government of India, and the sanction of that Government will be requested to the grant of the allowances in question.

Order - dt 22.6.97 - 27-1-98

These papers relate to the allowances to be granted to officers of the Salt & Abkari dept and to Local Fund Overseers, whose services were placed at the disposal of the P.W. Dept for famine relief duty in the I & III circles.

2. In G.O. No 853 Revenue dated 6 Oct 1897, the following salt allowances were authorised for officers of the Salt & Abkari Dept employed on relief duty in the Rev. Dept:—

Inspectors - Rs 100 per mensem
Asst. Inspr. : 50 —"—
Sub Inspectors - 20 —"—

and in G.O. No 3646 Mis. Rev. dated 4 Nov 1897, it was decided that the same allowances might be drawn by Inspectors &c whose services were placed at the disposal of the P.W. dept. The Govt P.W. asstt. however is of opinion that as the grant of these allowances is not covered by the rules in the C.S. Regns, the sanction of the Govt of India to their admission in the P.W. dept is necessary — the Govt. considers that the allowance of Rs 20 per mensem authorised for Sub Inspectors

+ G.O. No 853 Rev. dated 6.10.97 Mad. C.

of the Salt & Abkari Dept should be granted to Local Fund overseers employed on relief works in the P.W. dept. A list of Salt and Local Fund Officers so employed will be forwarded to the Govt of India, and the sanction of that Govt will be requested to the grant of the allowances in question.

No. 227 W dated 27 January 98 to the Govt of India P.W. dept

Sir,

I am directed to state that during the recent famine relief operations in the Northern Circars and the Deccan districts of this Presidency,

revenue officers of the Salt Abkari & Customs Dept. were employed in the Revenue Dept as taluk relief officers, Circle inspectors &c, while a number of such officers, as well as ward Local Fund overseers, were temporarily transferred to the P.W. Dept. for employment on relief works in charge of this dept, the available P.W. staff being insufficient for the purpose. In connection of the additional work and responsibility, and the extra expenditure on the men so employed in the Revenue

Department, this Govt. authorised the grant to them of the following additional emoluments,—

Inspectors. Rs 100 per mensem
Asst. Insprs. 50 —"—
Sub Insprs. 20 —"—

2. This Govt. consider that similar allowances should be granted to officers of the Salt Abkari & Customs Dept. whose services were placed at the disposal of the P.W. Dept, and that Local Fund overseers employed on relief works in the P.W. Dept. should be granted the extra Rs 20 per mensem allowed to Sub Insprs of the Salt Dept.; but the Examiner is of opinion that, as the grant of

these allowances is not
covered by the rules
in the C. S. Regns, the
sanction of the Govt.
of India to their
admission in the
P. Co. Dept. is necessary.
I am accordingly directed

The undersigned has the honour to request that the Supdg. Engineers I and III circles will be good enough to submit with the least possible delay, lists showing the names, grades and pay of the officers of the Salt and Abkari Department who have been temporarily employed in the Public Works Department on famine duty, in view to their temporary grading in the P.W. Dept being decided.

2. The lists should show the pay drawn in the Salt and Abkari Department immediately prior to transfer, and the periods of employment in the Public

Your O.N.No.3933 dated 2Ist.September I897.

With reference to G.O.No.2I96 W dated I0th.August I897 I beg to suggest that the Salt and Abkari Inspectors(including Sub and Asst.Inspectors) may be temporarily appointed to the P.W.D. as temporary Upper or Lower Subordinates on fixed consolidated rates of pay(not exceeding Rs.250 per mensem under P.W.D Code I. I. I09) being allowed to retain a lien on their substantive appointments under C.S.R. article 4I0.

2. There seems to be some room for doubt as to whether the appointments under notice can be considered as temporary deputations under C.S.R. 95,and the Inspectors allowed a deputation allowance of I/5th. of their salary under C.S.R.98 as there is a special rule regarding deputation allowances in case of officers being deputed to Famine work(vide C.S.R.I0I)& this rule does not cover the present

case.

In submitting herewith my travelling allowance Bill for Augt. 1897, I beg to bring to your notice that I was on receipt of a daily allowance of As: 3 and mileage of 4 annas exclusive of the conveyance of tent office records and furniture which is borne by Government which also supplies the officers with a complete set of tent. It need hardly be pointed out by me that the cost of living in this Famine stricken District is now nearly double of what it is in other places

places & that owing to recent order of Govt. that families of officers on famine duty should not be taken at the expense of Govt. it has necessitated the maintenance of 2 establishments by me. As my services as an Assistant Engineer were required by this Department & as I am a Gazetted officer of Govt. I request that you will be so good as to recommend the daily rates & mileage allowed to Gazetted officer of lowest grade in this Department. The claims prefered by me are entered in pencil only for Suptg: Engineer's approval and sanction.

In G. O. F. D. No. 573 dt/ 24.7.97
Communicated with G. O. No. 2282 W, dt/
20.8.1897, it has been decided that
the pay and allowances of Local
Fund overseers lent to the P.W.D.
should be debited to that Department
in accordance with the instructions in
G. O. No. 133, Financial dt/ 8.2.97. A
copy of the latter G. O has not been
furnished to me, but I presume
the intention of the G. O is that
these men should count against
sanctioned posts in the P.W.D.

2. If, therefore, there are no posts
against which these men may be
so counted, Sanction of Government
will be necessary to the increase of

of the scale by the number of the Local Fund men transferred. I have the honour to enquire whether my interpretation of the ruling is Correct.

3. The favour of an early reply is requested.

No. 3974W of 8th October 1897.

Forwarded to the Chief Engineer P.W.D for favour of orders. The — undersigned considers that power should be given in this Department to raise the pay of L. F. Subordinates while engaged on famine relief works to make it commensurate with that of P.W.D men doing similar work, but there seems no reason for allowing — appointments or such increments of pay to affect the scale of P.W.D establishment, any more than — appointments from other Department-

Department etc have been allowed to do so.

REVENUE DEPARTMENT.

Read—again the following G.O., Mis. No. 4426, Revenue, dated 24th August 1897 :—

Read—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 6154, dated 6th August 1897 :—

Read—the following Proceedings of the Board of Revenue (Separate Revenue), Mis. No. 2881, dated 8th July 1897 :—

Read—the following letter from the Deputy Commissioner, Northern Division, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 5th July 1897, No. 1671 :—

* * * * *

5. I desire particularly to draw attention to the last sentence in my office memorandum of 19th June which runs —

"The men must all get good extra pay for their increased work and responsibilities."

It is necessary that officers on whom double duties and responsibilities are thrown should receive consideration for the same, and I expect the same to be granted with no stinted hand.

Read—telegram from the Deputy Commissioner, Northern Division, dated 8th July 1897 :—

Resolution—Mis. No. 2881, dated 8th July 1897.

* * * * *

2. The Famine Commissioner's attention will be invited to paragraph 5 of the Deputy Commissioner's letter read above, and he will be requested to consider whether any extra emoluments can be granted to the men placed at his disposal for famine duty. The Board would urge that a liberal allowance may be made as they will have not only extra work and responsibility, but extra expenses to meet.

Resolution—Mis. No. 6154, dated 6th August 1897.

In paragraph 2 of his Proceedings read above, the Commissioner of the Salt, Abkári and Customs Departments asks whether any extra emoluments can be granted to the officers of his department deputed for famine duty. This is a matter for Government to decide and the Famine Commissioner, who heartily endorses what is said on this subject by the Commissioner and Deputy Commissioner, begs to suggest that the following allowances may be sanctioned for the various classes of officers.

48

2. Officers of the Separate Revenue Department are employed on famine duty as (1) Taluk-relief officers, (2) Overseers, (3) Circle-relief Inspectors.

For (1) Inspectors and the higher grades of Assistant Inspectors are taken ;

For (2) the lower grades of Assistant Inspectors and the upper grades of Sub-Inspectors ;

For (3) Sub-Inspectors.

The duties of a Taluk-relief officer are onerous and responsible and the Famine Commissioner considers—whatever his grade—he should receive an allowance of Rs. 150 per mensem. Assistant and Sub-Inspectors working as overseers should receive Rs. 50 per mensem and Sub-Inspectors as Circle-relief Inspectors, Rs. 20 per mensem ; the allowance to Sub-Inspectors should be exclusive of the travelling allowance recommended in Board's Proceedings, Mis. No. 4875, dated 3rd July 1897.

3. The Famine Commissioner is aware that these allowances will be, in many cases, in excess of the limit of 20 per cent. of salary fixed by article 98 of the Civil Service Regulations, but they are below the allowances which can be granted under article 101. The case of the Salt and Abkári Department officers is worthy of consideration for though they may be not transferred from one Presidency to another, they are to be employed upon duties of an onerous, and, to them, unusual nature. It is for the latter reason that Military officers are assigned a higher rate of allowances, irrespective of whether they are transferred from their own Presidency or Province or not, and as Military officers likely to be working alongside Salt and Abkári Department officers on similar famine duties, it seems fair that the latter should be granted allowances, which more nearly approximate to those of article 101 than would be permissible under article 98.

(Signed) L. E. BUCKLEY,
Famine Secretary.

To the Secretary to Government, Revenue Department.

Order—Mis. No. 4426, Revenue, dated 24th August 1897.

The allowances proposed by the Famine Commissioner, especially that suggested for Taluk-relief officers seem to be unnecessarily high. The Government desires to have the opinion of the Commissioner of Salt, Abkári and Separate Revenue on the point.

Abstract.—Communicating to Government the opinion of the Commissioner of Salt, Abkári and Separate Revenue in regard to the payment of extra allowances to salt officers deputed on famine duty.

Order—No. 853, Revenue, dated 6th October 1897.

Miscellaneous.

The Government is of opinion that an addition of Rs. 100 per mensem to the salary will be sufficient in the case of Inspectors deputed as Taluk-relief officers, and that an increase of Rs. 50 may be

allowed to Assistant Inspectors placed in charge of relief-works and of Rs. 20 to Sub-Inspectors appointed as Circle Inspectors, &c. The Government is also of opinion that similar increases should also be sanctioned in the case of officers of other departments placed on famine duty. The above decision will be given effect to by the creation of special appointments under section 30 of the Famine Code, and the Famine Commissioner is requested to submit a list of all officers not belonging to the Public Works Department or to the ordinary Revenue Administration in the affected districts, who have been placed on famine duty from time to time with the dates of their deputation (and of reversion, if they have already reverted) and the salaries drawn at the time of deputation.

2. Officers appointed to posts to which specific rates of pay have been sanctioned under section 40 need not be included in the list.
