Chief Engineer,
P. W. Department,
Madras.

Sir,

Enclosures.

I have the honour to state that the Examiner P. W. Accounts Madras in his No. 2344^B/_A dated 7th July 1898 brought to my special notice, the fact, that many documents due from the Buddapah Division had not been received in his Office. He suggests that if the Divisional Office is short handed, Exer. Engineer should get at least some temporary additional help.

2. On enquiry I find that the Divisional Accountant has more work than he can manage without some further assistance; I therefore request that you will be good enough to obtain sanction of Government for an accounts clerk on Rs 50 per mensem, for 6 months, to

to enable the Executive Engineer Luddapah
Division to clear off all arrears.

I have the honor to be,

Sir,

Your most obedient servant,

Wm Baddley Lieut. Col. R. E.
