Excluded Local Fund Budget for
the current year for Light. Keepers
quarters at Muttum. The estimate
for the work has not yet been
mentioned, but the Supt. of Works
promises in his present letter to
submit it in the course of a
few days.

In a letter on 11.9.97
9.9.98. the Supt. of Works reported
(pure 4) that estimates for the
quarters at Muttum were ready, &
were only delayed because he was
uncertain about the rates.

The proposal to despatch
doors & windows in advance
might be approved.

OFFICE OF THE SUPT. OF WORKS, LIGHT-HOUSE DIVN.,

Egmore, Madras,

No. 1253

Dated 1st Sept 1898.

From

F. W. ASHPITEL, Esq.,

SUPERINTENDENT OF WORKS,

LIGHT-HOUSE DIVISION,

Madras,

To

THE Secretary to Government,

Public Works Department

SIR,

I have the honor to request permission
to put in hand and despatch to Muttum
the doors and windows required for the light-
keepers quarters which are to be constructed
at that station. I make this application
as I have chartered a dhony to take stores
from Madras to Kapp Rock and Manapandal
and shall not have another chance of cheap
freight to Muttum. The cargo will be
insured against total loss by Messrs. Arbuthnot
who are also shipping by the same dhony
to

to Calicut and Messrs. Ashburnot & Co. have
undertaken the management of the under-
taking. The estimates for Matthan will be
submitted for sanction in the course of a
few days and I request that you will
accord sanction by wire to the despatch
of stores and materials in anticipation of
sanction to the estimates.

I have the honor to be,
Sir
Your most obedt. servt.,

Whitfield
Superintendent of Works,
Light House Division.
