question was raised as to whether under 7(4) of the Exchange Corps Resolution of May 1957 (para 8) all soldiers appointed to the Dept from the College of Engineering are entitled to the allowance without question -

If the reply is in the affirmative, the claims of Sub Cond 2 Messrs & many other military super soldiers will be settled. If in the negative, each claim must be dealt with on its merits -

Until a final reply comes from the Govt of India, the claims of a number of military super soldiers

(including that of Sub Cond 2 Messrs) must stand over -

The S.F.D. in its present letter, states that the question is still under discussion, & that a reply will be given as soon as possible.
