2. Official Memorandum No.167, d/26th July 1898.
3. Official Memorandum No.169, d/28th July 1898.

5. Proceedings of the Board of Revenue, Rev. Sett., No.299, d/12th August 1898.

Order thereon, Press No.466, dated 23rd August 1898.

In the first of the Proceedings read above the Board submits ~~his~~ its estimates of famine expenditure up to the end of July. Columns 3 and 13 of the statement appended to the Proceedings purport to show the estimated amount of expenditure sanctioned by the Government. It appears that the figures in these columns were taken from the last column of the statement in G.O. No.500* Finl., d/3rd June 1898 and represent the estimated expenditure sanctioned according to Board's estimates framed in May last (vide G.O.No.278* Rev., d/16th May 1898). These figures were superseded by the estimates framed by the Board in June last and approved in G.O.No.350* Revenue, d/18th June 1898. Comparison with earlier estimates is useless. The Board should accordingly enter in their monthly estimates under the head "Estimates(" the figur sanctioned in the last set of estimates accepted by the Govt. In submitting the estimates for any month, in future, any variatio between the accepted estimate of expenditure for the previous month and the actual ascertained expenditure for that month sho be briefly explained.

2. It is ~~submitted~~ observed that the estimated expenditure in Nellore to the end of June accepted in G.O.No.350 Revenue, d/18th June 1898, and the actual expenditure incurred in that district to the end of June reported in the first of the Proceedings read above under the heads stated is as follows:--

	Sanctioned to end of June 1898. Rs.	Incurred to end of June 1898. Rs.
33-A	1,508	1,909
33-B	2,413	2,855
33-D	403	409
Total Civil Dept.	4,324	5,173
33-F Relief works in charge of P.W.D.	5,231	4,418
Total ...	9,555	9,591

The variations should have been briefly explained. For other districts the comparison is obscured by "Recoveries" not being separately shown in the statement in G.O.No. 350 Rev., d/18th June 1898, and by expenditure being shown by book adjustment against districts where no famine operations are in progress. The Board has been requested to ~~supply~~ apply for lump allotments to meet such expenditure. The application should be expedited.

3. In the last of its Proceedings read above the Board submits its estimates of expenditure to the end of the current month. The estimates are approved, but have been recast with reference to the remarks above and are exhibited as an appendix to this order. The Board is requested to note the remarks appended to the estimates and to follow this form in submitting future estimates.

4. Separate orders will issue shortly with reference to the question raised in para 2 of the last of the Board's Proceedings.

2. It is ~~noticed~~ observed that the estimated expenditure in Nellore to the end of June accepted in G.O.No.350 Revenue, d/15th June 1898, and the actual expenditure incurred in that district to the end of June reported in the first of the Proceedings read above under the heads stated is as follows:--

	Sanctioned to end of June 1898. Rs.	Incurred to end of June 1898. Rs.
