Superintending Engineer's
 Office: IV Circle 29th August, 1898.

From,
A. H. Garrett Esq:
Superintending Engineer
IV Circle:
To
The Chief Engineer,
P. W. R.

Sir,

With reference to G.O
No. 728 W, dated 17th March, 1898,
I have the honour to inform you
that an estimate amounting
to Rs 58 for inserting two
Mangalore glass tile sky lights
in the verandah roof and
fixing new bolts to doors of
the sub-jail Manjeri approved
by the District Magistrate has
been

been sanctioned by me for ex-
Cution.

The Executive Engineer re-
ports that he has informed
the collector that palisading
round the sub-jail is not ne-
cessary, as the verandah is
already enclosed by an iron
barred grating.

I have the honor to be,

Sir,

Your most obedient servant,

Ans. M. S.

Superintending Engineer.

IV. Curick.
