The Examiner afterwards pointed

#E.1.9-2872519/98

pointed out that the restoration of this man to his former grade had caused an excess in the grade, a promotion having been made when he was reduced. In G.O. No 1677W dated 5th July 1898 (flagged C) it was ordered that the locum tenens of Satchmana Row should revert to his previous appointment. The Head clerks of division offices being in the Rs 60-80 grade, the restoration of P. Satchmana Row to that grade, and the reversion of his locum tenens, rendered it necessary that the former should go back to a division as Head Clerk, and the Superintending Engineer was asked to post him accordingly to any division except Negapatam.

The words "except Negapatam" were inserted in the G.O. because it was in that division that he had previously come to grief, and

and it was thought undesirable to send him back there.

The Superintending Engineer's circle now requests that the words in the G.O. "except Negapatam" may be rescinded, as otherwise it will necessitate another general move of the Head clerks in the circle, which will be a hardship to the men, and ^{states} that there is no reason why Satchmana Row should not go back to Negapatam.

The man has been serving in the Presidency Public Works Workshop office since his reduction, and the Suptg. Engineer was asked if arrangements could not be made to keep him there. The Suptg. Engineer however states that the man is not equal to the kind of work required in the Workshops, and as the

SUPERINTENDING ENGINEER,

To

THE

Chief Engineer,
P.W. Department

SIR,

I have the honour to request that you will be so good as to move Government to be pleased to reconsider the orders passed in the concluding clause of para 3 of G.O. No. 1677 W dated 5 July 1898, regarding the transfer of clerk Lutchmava Row as Head Clerk to any division except Nagapattinam for the following reasons.

It was only recently that the Head
Clerks in all the mofussil divisions of the
Circle were transferred. Moving them
again so soon will be a great hardship
and as Lutchman Row's offence in the
Negapatam Division was one which was
the result of his not being familiar with

Enclosures.

or wanting a knowledge of, the cases then pending disposal, his return now to the division would involve no hardship on him, or on the Executive Engineer. I therefore request that the order in the G.O. quoted may be modified by the omission of the last two words ("except Negapatam") in it, so that I may be able to order the return of Lutchmana Row to Negapatam.

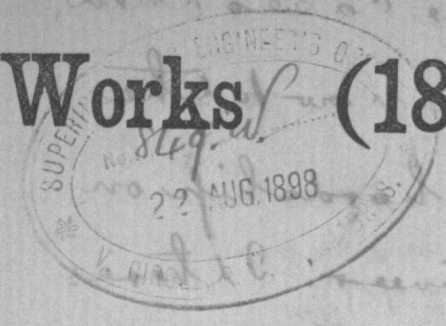

I request the favour of early orders on the subject.

I have the honour to be,
Sir,
Your most obedient servant.
