THE HON'BLE MR. GROSE, C.I.E.

SUBJECT. *Subordinate*
accountant.

FOR ORDERS.

The circumstances relating to the transfer of the services of Accountant T. Condiah Chetty to the Travancore Govt., and his reversion to British service, are stated in the note appended to G.O. No. 2044 W, dated 12th August 1898. (Flagged X)

Condiah Chetty having come back long before the expiration of the expiration of the 5 years for which his services were lent, the Examiner suggested that the permanent promotions made in his place should be ~~missed~~ allowed to stand.

The Government however considered that it would be against the spirit of article 109 C.S. Regulations, to retain the permanent promotions, and the Examiner's application was refused in G.O. No. 2044 W, above quoted.

The Examiner now reports that the
excesses on the permanent list due
to Condiah Chebbi's return were all
absorbed within 25 days of his reversion
version, by the retirement of K.

Desikachari, Accountant 4th grade,
and he thinks it possible that Govt.
will not now consider it worth while
to enforce its orders regarding the
reversal of the permanent promotions
made in place of Condiah Chebbi.

It is recommended therefore that
these permanent promotions be al-
lowed to stand for the short period
of 25 days, so that there may be no
break in the service of the men
concerned in their respective grades.

In the concluding sentence of
G.O. No. 2044 W, dated 12th August 1898,
it was remarked that the reversion
to the 6th grade of an accountant
5th grade had not been provided for
in the statement submitted by the
Examiner.

That officer now explains that
the omission was due to the existence
of a vacancy in the 5th grade, which
rendered such a reversion unnecessary.

OFFICE NOTE No. 986 $\frac{A}{5}$

To
W.

G.O.No.2044 W dated 12th.August
1898.

Since submitting the proposals in my Office Note No. 869 A.E. dated 16th. July 1898, M. R. Ry K. Desikachari, Accountant 4th. grade, has been invalidated, and the excesses in the permanent list consequent on Accountant T. Condiah Chetty's return to Government service will all have been absorbed within 25 days from date of T. Condiah Chetty's reversion. Under the circumstances, it seems possible that Government may not think it worth while to enforce their order regarding the reversions of the permanent Accountants, (Vide statement A submitted with my Office Note No. 869 A/E dated 16th. July 1898) especially when, under the rule in the C. S. R. 109, Government appear to have the right not to reverse the arrangements already made.

2. Should, however, Government
still

still not see their way to allow the permanent promotions in question to remain unaltered during the brief period named, the reversions of the permanent accountants, as also of Mr. Humphrey, whose reversion is contingent thereon, need only have effect from 9th. July 1898 to 2nd. August 1898 inclusive.

3. I beg to explain with reference to the concluding portion of the G.O. under reference that although, on the face of the statement, it would appear that a reversion from permanent 5th. grade was necessary, yet there was an existing vacancy on the permanent list down to the 5th. grade.
