In G.O. No. 2012 w dated 10th August

1898, passing orders on Statement of objectionable items in the accounts of Executive Engineers remaining unremedied to end of March 1898, Supplemental, it is said that necessary steps should be taken to regularise the outlay incurred in constructing a first class taluq cutcherry at Jayankondasholapuram in Trichinopoly Division.

2. The work in question was an in-
complete work of 1897-98, which was
completed with an outlay of Rs 370 up
to march 1898, and for which no formal
allotment of funds was necessary,
the outlay being below Rs 500, vide
para

para 102, Chapter III, volume II of the
P. W. D. Code. A further sum of
Rs 360 was adjusted in the Sup-
-plemental accounts which was
not anticipated, and this adjust-
-ment increased the outlay to Rs
730, and there was no time to
obtain a specific allotment, the
official year having expired.

Under the circumstances, I
have the honor to request that
sanction of Government may be
obtained to enable the examiner to
finally admit the outlay.

I have the honor to be
